Slip's not too long... Brownie's too short

Oblivious to the sensation she is creating this Mokena Brownie Scout and her fellow Brownies are engrossed in their participation during the recent 60th birthday celebration of Girl Scouting. The Triken Neighborhood held the event recently at Frankfort Grade School.

Frankfort hires 1972-73 staff

FRANKFORT — Eighteen non-tenure teachers have been re-hired for the 1972-73 school year by the Frankfort Grade School board. They are: Sandra Hankowitz, Sandra Matheis, Delores Barens, Maridell Condon, Georgene Lange, Renee Ellexson, Linda Hellinga, Susan Tessatore, Carol Zechlin, Marianne Baker, Michael Watts, Bessie Cronk, Dorothy Pell, Sheron Bundy, Judith Madock, Linda Walsh, Linda Istel and Mary Lynn Longhini.

In other action the board adopted the school calendar for the coming year. Starting with teachers' institute Aug. 28. The first day of school, a half day, is Aug. 29.

There are six holidays before Christmas vacation which is Dec. 23-Jan. 2. The holidays are: Labor Day, Sept. 4; Columbus Day, Oct. 9; Veterans Day, Oct. 23; Parent Teachers Conference, Nov. 6; Thanksgiving, Nov. 23-24.

Lincoln's Birthday, Feb. 12 will be a holiday and spring vacation will be from April 20-29.

Memorial Day will be observed May 28. There will be no school that day nor on June 7, which is teachers' institute. The next day, June 8, will be the last day of school for 1972-73. Lee Rosenquist, Lincoln-Way High School

principal, will be the commencement speaker.

Superintendent Leroy M. Olson reported to the board on educational programs changes in effect in grades seven and eight next year.

The board awarded contracts necessary for completion of the upper floor of Chelsea School. Low bid for the furniture was submitted by Paddock School Equipment Co., in the sum of \$18,726.50. Two other firms, Prairie State Equipment Co. and American Seating Co., submitted only partial bids.

There were also three bids for carpeting. Low bidder was Bryan-Coughlin Inc., \$5,196.45; The other bids were: Paddock School Equipment Co., \$5,773.50, and Prairie State Equipment, \$6,963.95.

Buck Electrical Constructors, Inc., got the electrical contract with a bid of \$5,172; Other bidders for this work were: Kelso-Burnett, \$5,400 and Tuttle Electric, \$5,290.

The board also sent a letter to the village board, opposing a change in zoning from R-1 to B-1 for the property at 120 Oak Street which is across the street from the school. The zoning board, which met the same night at the school board, adopted a recommendation that the petition for the change be denied.

New Lenox village

Board studies appropriations

NEW LENOX — The annual task of compiling an appropriation ordinance for the Village of New Lenox has been started and the trustees are expected to have it completed by the April 12 meeting. James Hearn, village treasurer, outlined a rough draft at the session last Wednesday night.

According to his figures the anticipated revenue for general fund for the coming fiscal year, April 30, 1972-May 1, 1973, will amount to approximately \$253,800. This with a carry-over

of \$55,500 will give a total of about \$309,300.

Last year's appropriation ordinance called for a total of \$312,000 for the general fund but only approximately half of that amount was spent. Hearn explained to the citizens attending the meeting that an appropriation ordinance was always considerably more than the actual expenditures. This is necessary, he said, because if by chance the funds are available there must be an appropriation for a purpose before any money can be expended for it. In the next month the trustees will estimate the needs for their departments and appropriate accordingly.

In other business that came before the board the petition of James McGuire and Mathias Cassidy for a R-4 classification for property they own off North Cedar Road was denied. The zoning board made the recommendation and the village board concurred in it. The case has been hanging fire for several months.

Attorney Donald Wise, of Joliet, appeared for the petitioners at the last zoning board meeting. Wise is ill and Attorney Norman Codo attended the council meeting to seek action.

Dr. and Mrs. George H. Woodruff, who are laying out a subdivision, Coventry Heights, east of Gougar Road across from the entrance to Woodruff Golf Course came before the board to say they were making a change in the lot layout. They were referred to the Plan Commission.

Lewis Loebe, chairman of the plan commission, announced that it was not ready yet to report on Unit 1 of Greenbrier. There is some question about the building on Haven Avenue still to be answered.

Trustee Howard Hutchins reported that Bill Bolker, developer of Village Square shopping complex is prepared to build a concrete curb along the east boundary of the blacktopped delivery area behind the stores to prevent the roof water from draining on the properties of William Holland and Vernon Edgar adjacent on the east. Holland and Edgar had appeared at the previous meeting to register a complaint.

Hutchins said that Bolker planned to put in the curbing as soon as possible but that it might be May before the job could be done.

Edgar and Holland said that by May they might be swimming and voiced skepticism that the curb would do the job. They would also like Bolker to put in a storm sewer.

Robert Bolker appeared before the board to urge the widening and paving of South Cedar Road and the building of sidewalks along that thoroughfare for the benefit of school children.

A written request from Trinity Lutheran Church, North Cedar, to have Gum Street east and Ash Street west made one-way thoroughfares on Sunday mornings to aid the traffic and parking situation, was referred to Trustee Earl Schroeder, police commissioner, and

Police Chief Joseph Wajchert for study and a recommendation.

The board granted the request of the New Lenox Park Board to use the village hall for its meetings.

A letter was read from the Harry Anderson Post, Veterans of Foreign Wars, inviting the trustees to participate in the annual Memorial Day parade scheduled for May 29. The parade will form on the St. Jude School grounds.

Terry Small, 164 Forest St., west of North Cedar, appealed to the board to do something about the sewer situation in that area. The board is planning to straighten, and possible enlarge, some of the main that is backing sewage up into homes after hard rains.

Small said he has been confronted with the problem for the past six and a half years. The board is also planning to test sewer mains for leaks and for evidence that they are getting surface water from roofs and footing tiles.

Under state law surface and roof water must not be run into sanitary sewers. Small said that in the last heavy rain there was so much water pressure in the sewers that it pushed a manhole cover in the air and kept it there for several minutes.

Sanger Westphal, Joliet architect, and president of Devcon Corporation, a development company, appeared before the board to make overtures for a pre-annexation agreement for an 80-acre tract on Laraway Road. A residential development is planned.

Mokena tells Istel 'No'

MOKENA — The recent meeting of the Mokena village board was a lengthy one and covered a variety of subjects. Zoning and land were, however, the principal topics.

Larry Istel, Mokena got a "no" from the village zoning board Jan. 5 on a petition to change classification from R-1 to R-4 so he could build apartments in the Boyer Court area, followed by a "yes" by the village board Jan. 11, got another "no" March 14, this one by the village board.

The reversal by the village board apparently was taken because of pressure brought to bear by residents in the area where the apartments were planned. There are no apartments there presently and one of the points the residents made was there is a covenant running with the two lots in Boyer Vista Heights prohibiting their use for other than single family residences.

Istel was present and was also represented by Attorney Thomas Phelan of the law firm of Galowich Mc Steen and Phelan.

Their request for a copy of the ordinance changing the classification of the property from R-1 to R-4, was granted. Phelan took the position that the village is bound by its action Jan. 11 and that it could not reverse its previous decision.

One of the persons in the audience, Mrs. Dorothy Weathers who lives near the proposed project said that if the village runs into a lawsuit as a result of

saying "no" as to the proposed apartments she was sure that people in the neighborhood would contribute money to help meet the expense.

Mrs. Mac W. Bottema gave the board a cheer for its action. When the Bottemas wanted to remodel a property they owned on Schoolhouse Road at Carpenter Street to make a four-room apartment for their daughter and family, Istel was the main objector, she said. He didn't want more traffic or any more children there, Mrs. Bottema said.

An ecology touch was given by Jack Longden, a student at Lincoln-Way High School. He told the board that recently the students in Illinois chose the oak as the state tree.

There are oak trees on Istel's property, Longden said, that would probably have to be removed if apartments were built there.

The village board approved the recommendation of the zoning board that 10 of the 50 acres across the street west of Saint Mary Church be zoned R-4 to permit the building of apartments there. The zoning board also recommended that street variations on any streets to be dedicated to the village be denied. Hillcrest Builders are the developers.

It also was brought out that at a recent informal meeting of Hillcrest Builders and representatives of the village there was discussion of extending the sewer to this area.

Hillcrest Builders reportedly agreed to install a mile of 12-inch and 15-inch lines

to the sewer plant that would serve their development and also the unincorporated area along the route.

In return for this installation Hillcrest Builders would be allowed to use eight of the 40 acres that had been proposed for single family dwellings — across the street from the apartments — be utilized for condominiums.

It was estimated the installation of the sewer mains would cost \$100,000. The plan commission has reportedly stated it is in favor of the additional condominiums.

Hillcrest Builders will be permitted to erect some models but with the understanding that no occupancy permits will be granted until the final plat of the subdivision is approved.

William Weber Sr. and William Weber Jr. appeared before the board to seek some modification of the pre-annexation agreement of their property. Board members generally approved on a verbal basis that the Weber home property not be annexed for the present as the owners wish to continue to farm it.

An ordinance was adopted annexing two pieces of property facing Wolf Road between the Istel property and the Park and Shop Food Market.

Village Attorney George E. Sangmeister presented a petition to the board to re-zone all the present R-5 property in the village to R-1. The board voted to present the proposal to the zoning board for a public hearing.

Staff photo by D. Shigley

Officers

New officers of Mokena Fire Department's Women's Auxiliary were recently installed. In front is the president, Carla Peacock; at the left is Pat Bueschel, treasurer, and at the right is Ada Hoogstra, secretary. Between them is Phyllis Rust, vice president.

Orland takes action to prevent building

ORLAND PARK — Three separate statements were read to the Orland Park Village Board March 20 regarding the Melrose Fireworks Display Company. All opposed the rebuilding of the company on its former site near 159th st. and 104th ave.

A resolution was signed by the trustees of the Orland Park Fire Protection District which has the statutory responsibility for fire safety in the district. The district trustees' resolution signed March 8 stated rebuilding would constitute a hazard to life and property particularly in view of future developments resulting from the building of the shopping center. It added that under investigation it appeared that there had been an illegal use of the property and the plant allegedly did not have certification from the state fire marshal or a state license to store explosive material.

A letter from the Cook County Department of Building and Zoning said that under the present R-3 zoning Melrose cannot be rebuilt or restored unless it is rezoned M-2, general manufacturing.

Another letter was received from C. Russell Cox of Andrew Corporation expressing its willingness to cooperate with the village in seeking to prevent Melrose from rebuilding.

The village board plans to periodically check the site.

The board appointed John R. Anderson to fill the trustee vacancy created by the resignation of Eldon Shimek in January.

Fund to aid Martin Olson survivors

ORLAND PARK — In response to the death of 18 year old Martin Olson, in the Melrose Fireworks factory explosion, his former fellow students at Carl Sandburg High School undertook a fund raising project for his family.

Through the efforts of these students, who were spearheaded by Larry Stahnke and David Little of Orland Park, a sum of over \$700 was collected. Robert and Charlene, Martin's brother and sister are currently students at Sandburg.

For those who might wish to contribute to this fund, donations can be sent to the Marty Olson Fund, c/o Michael Coglianese, Assistant Principal, Carl Sandburg high school, 133rd and LaGrange Road, Orland Park, Ill. 60462.

1972. Anderson, who lives at 9825 El Camino ct., served as village clerk from April 1965 to December 1969. He will retain the trustee post until the next general election in the spring of 1973.

Pieper was authorized to execute a letter of direction releasing lot one of Cameno Real unit two to Hillcrest Builders. The lot is 1½ acres on the southeast corner of 151st st. and West ave., where the builder plans to erect a 7-11 food store. The lot had been held by the village as security for the trucking of sewage that was being done by Hillcrest from the Cameno apartments.

The attorney was also authorized to use his discretion in the matter of a possible withdrawal of the village's pending Fernway annexation petition. An objection of the village of Westhaven to the current Fernway residents' petition is this pending petition.

Mark Lovejoy tendered his resignation as village engineer. Lovejoy said "I've been here many years and I'd like to leave while we're happy with each other. I believe we're not doing you any good."

The board accepted the resignation with regret and Village President Melvin Doogan agreed there was not too much for the engineering firm to do at the present.

Ken Cramer named Jaycee of month

TINLEY PARK — Ken Cramer has been named "Jaycee of the Month" for February. Cramer, a new member, has been active in many Jaycee projects. Currently he is serving as chairman of the Chapter's sports program, chairman of the ecology program and chairman of the chapter's insurance project.

He has also been busy serving as committeeman for the Tinley Park village Christmas festivities, wives appreciation and drug abuse program.

Tinley to install Harlem signal

TINLEY PARK — The village board signed a proposal with the state highway department Monday evening thereby entering into an agreement to share the costs for installation of traffic signals at 171st and Harlem. The village's share of the expense, about \$15,000, will come from motor fuel tax funds. The state's share will amount to about \$17,000.

Mayor John T. Dunn said that he has sent a letter to officials of the highway department stating that the village board agreed to the proposal only for the safety of residents. The board has previously tried to obtain additional funds to finance the project; however, attempts for state and/or county funds for the safety measures

at the intersection were denied.

The board also passed an ordinance making it unlawful to park within 200 feet of the intersection. Fines for violation of the ordinance will range from a minimum of \$10 to a maximum of \$500. The ordinance will take place ten days after publication.

Mayor Dunn read the resignation of Civil Defense director Chester Marshall, stating that in view of the extent of his job as building commissioner for the village he did not find it feasible to continue serving as civil director.

Prior to the board meeting, Marshall told the *TIMES-HERALD* that what had started as a rather undemanding position in the civil defense had grown into a time-consuming job. Marshall said he would be available to assist the new director in any way possible.

Trustee Merle Landau said that he would be entering the hospital and Trustee Bob Mason would handle the permits and license department during his absence. Landau is undergoing surgery on his knee.

Trustee Mason suggested that the board meet with Jack Jacobs, developer for a shopping center on 159th st. on April 12 and Kaufman and Broad builders on

April 14. K and B are owners of property west of Tinley and are again attempting annexation to the village.

Mason and the board discussed Pasquinelli Builders and their objections to donations to school and village improvement fund. Pasquinelli has formally agreed to make the donation suggested by the board but has apparently done so each time with a statement of protest.

Mason said that any cost incurred by the builder is no doubt passed on to the homeowners and the homeowner was unquestionably saving money by having the improvements put in immediately rather

than through a special assessment at a later date.

Village Clerk Bill German read an announcement regarding voter registration at the Bremen Township office, 16361 S. Kedzie parkway, Markham. April 23 until October 2. The clerk's office will be open for registration on Monday through Friday 9 a.m. to 3:30 p.m. and each Monday 7 p.m. to 9 p.m.

Anyone who will be 18 years of age or older prior to the next election and has lived in the state of Illinois six months and in the township 30 days is eligible to register.

Man enters innocent plea

LOCKPORT — John Adams, Jr., of 2206 Lockport Road in Lockport, pleaded not guilty before Judge John Lang on March 14 to the charge of possession and sale of cocaine to agents of the Metropolitan Area Narcotics Squad (MANS).

Adams, manager of the Stardust Lounge in Lockport, was arrested by MANS agents during a raid on Feb. 19 of the Stardust Lounge. A preliminary hearing was scheduled for March 22 by Judge Lang. Adams is still free on the \$5,000 bond set by Judge Lang previously.

Also arrested in the Stardust Lounge on Feb. 19 by Sheriff's Police, were Walter Allen of Joliet for gambling and illegal possession of a gun, Isaac Love of Joliet for being the keeper of a gambling house, James Williams of Joliet for gambling, Rose Blakney of Joliet for gambling and Sharon Terry, owner of the Stardust's liquor license, of Lockport for being the keeper of a gambling house.

All five pleaded not guilty to their charges before Judge Lang on March 14 and requested jury trials. Judge Lang set a hearing for April 17. All are still free on the \$100 bonds set for them by Judge Lang previously.

Editor:

When the abortion bill which I sponsored came up in the house during recent sessions, the limb I was on was very lonely.

At times it seemed like supporters for this legislation amongst the solons of the great state of Illinois could be put in a one-man raft.

Despite the reluctance of elected officials to deal with this issue, I knew from experience that there was a great deal of sentiment for some rational solution to this vexing human problem of abortion.

It was with no small measure of comfort that I read that the Opinion Research Corporation of Princeton, New Jersey, released a survey which showed that six out of ten American adults favored abortion for reasons other than saving a mother's life. Half of these, according to the Princeton corporation, would remove all legal restrictions on such operations.

The survey is to be given to President Nixon and the congress as part of the U.S. Commission on Population Growth. The survey also turned up the startling fact that 87 percent of the same adults believe the government (that's us gentlemen) should make available birth control information on a universal basis.

One of the major groups opposed to any abortion or birth control legislation is not the church or the middle-class voter, instead it is the Black Nationalists who feel such laws would control their community.

The Princeton survey also said that people supporting abortion legislation tend to be younger, better educated and more affluent than those who oppose such legislation.

Since the entire question of abortion is before the U.S. Supreme Court for a definite decision, I would like to offer the suggestion that the entire question of abortion as a political issue be suspended during the current campaign.

Despite the fact that my stand now puts me in line with the majority of adults, I, for one, would respect such a suspension of the issue.

LELAND RAYSON
State Representative (D-9th)

Dear Editor:

The 50 Oak Forest sophomores from George McClarence's accelerated American History Class may be excused if they seem to display some tinges of doubt about the American political system.

They were subjected, if they is the polite word, to the quotations of Chairman Ed Derwinski, the Republican strongman and congressional candidate from the 4th district.

Derwinski and I are hardly strangers. I ran as the Democratic challenger to him in the old 4th District in 1958.

Ed's Neanderthal views and rumblings have been blunted by age, but they still add up to a ringing indictment of the Republican Party and his callous and zany methods of dealing with serious issues.

Derwinski, according to a recent HERALD story, said: 1. The League of Women Voters is long on good intentions and short on common sense. 2. The SST airplane was shelved by overzealous conservationists. 3. The Congressional Seniority System is good because it provides experience. 4. Chuck Percy and Adlai Stevenson III are devoid of humor. Mr. Nixon, however, is a nice guy.

5. Students should study history and social studies to get a practical knowledge of how the government works.

May I, as an elected official, give a point by point illumination of Mr. Derwinski's errors:

1. The League of Woman Voters, amongst others, have faulted the congressman for his shoddy record on ecology. One group even gave Derwinski a zero rating because he has fought every attempt to clean up our dying environment. The students would do well to emulate the League of Woman Voters and pay less attention to carping critics.

2. The SST was hardly killed by a few overzealous conservationists. The vast majority of the American people and the press put pressure on the Congress because it was sick of the airlines destroying our airspace, our eardrums and our tiny bit of sanity for a fast buck.

3. If ever the congress is to be receptive to the moods and changes of the people, the party in power or even common decency it must make some changes in the seniority system. It was, after all, mostly very old men, some dating back to World War I, who kept the Vietnam War going years after the people wanted the troops home.

4. My good friends, Senators Stevenson and Percy are, I can attest to, very witty and long-suffering particularly with extremists from the ultra-right wing of the Republican party who seem only to want a return of King George the III to his

throne and reinstatement of the Alien and Sedition laws.

Derwinski told the class that Richard Milhous Nixon is a nice guy. Nixon's humor, while almost hidden up to now, can be attested to by the fact that he appointed Derwinski to be our Representative in the United Nations. Derwinski's early and late careers have been built on his solid opposition to the UN and all its works.

5. I would also tend to dispute Derwinski's claim that history books and social studies give the best insight into government.

A daily reading of the newspapers tells in more graphic terms how IT&T cowed the Nixon regime for 400,000 pieces of silver; how bankrupt and inept railroads like the Penn Central are being bailed out by the GOP and how the defense industry looks upon Mr. Nixon and Mr. Derwinski et al. as the reincarnation of the Easter Bunny and Santa Claus with our tax money.

If we depended, however, upon Congressmen Derwinski for our information about how the world really is we would be reduced to breathing foul air, paying taxes to every despot and bankrupt in the world and watching him raise his own congressional salary to the level of a Hollywood mogul.

Derwinski's talk is harmless. It, alas, is just one instance of the ripoffs and hype we give our young people. No wonder a recent poll reported that 70 percent of our young people feel that government is not responsive to them and acts more like an occupying force than a means of doing the greatest good for the greatest number.

The Oak Forest sophomores heard a perfect example of the 19th Century mind in action. I do hope that Mr. McClarence would try to line up someone from this century.

Cordially
State Rep.
LELAND RAYSON
(D., 9th)

Editor:

The Tinley Park Jaycees have had a long standing policy of not responding to bond referendums and taking stands. This position has been primarily based on our inability to find all the facts, to hear both sides, split of the membership on issues, fear of interfering with governmental bodies responsibilities, and often fear of losing some support of the people.

We feel that we can no longer be responsive to our community and it's problems and continue to take this position. Realizing the importance of the referendum in school district 140 and it's impact on our taxpayers and school children we feel we must let our feelings be known.

The Tinley Park Jaycees, as fathers and tax payers, have come to face some very difficult decisions. One of these was discussed at our last meeting at length. This same decision will be presented to the voters on April 4th, of school district 140. We would like to share with you some of the realizations that were discussed and the conclusions we feel should be expressed on April 4th by the voters of that district.

We realize that an education lost or delayed to our children, through no fault of their own, is something that can never be replaced. We realize that the responsibility to provide that education is ours as parents. We realized, through our discussions, that the present system of supporting that education, through rising real estate taxes, has reached a peak; that the system of taxation for schools is totally inadequate. We are aware that the system we have now is the only legal system recognized in the State of Illinois.

We know as tax payers in school district 140, the situation is becoming unbearable. Of course, the final realization is that the school board of district 140 is facing the responsibilities that we as voters elected them to do and have presented the only solution they have in the form of a referendum on April 4th. Knowing all this, we came to the following conclusion:

We commend the school board for the foresight of looking far ahead and preparing a long range program to solve the needs of the school district. We commend the village board and the planning commission for their efforts over the past two years and request that those efforts continue to prove to be even more fruitful.

We realize every voter and tax payer's right to insist that his or her legislator in both the state and federal governments, faces head-on the problem of rising real-estate taxes, rising school cost and the need to create a more equitable taxing program, while leaving the control of our schools on a local basis.

Finally, the hardest of all, we, the Tinley Park Jaycees, realized that through all

of this, the education of our children should come first and we urge all voters of school district 140, to vote on April 4th and Vote "YES".

ED SIEMSEN, PRESIDENT
Tinley Park Jaycees
Taxpayer & Father

Editor:

Some months back my husband and I became involved in a rezoning meeting. It involved rezoning of property on Harlem, from commercial to residential. Because we are residents of School District 140, we had great antipathy toward this suggestion because we felt any loss of commercial property would be detrimental to our School District.

Due to our involvement, we were approached to represent 140 and became active on the Industrial and Commercial Commission. We accepted this challenge feeling it our duty to actively support the undertakings of the commission. Being affiliated with the commission, we have come to realize that Tinley is progressing very rapidly. Many people spend much of their leisure hours devoting their time to community projects. We can see now that strip zoning on Harlem would have destroyed the long range planning committees many efforts for a well planned community.

Because of our involvement we have a new vision displayed to us. Hopefully we can enlighten more people through our efforts. We feel our children are our most precious possession and also our biggest obligation, and because of this, their education is a primary factor.

In conversation with many people, we find they feel the same way. But when a referendum becomes an issue their ideas change. Then it seems money becomes the issue. Everyone knows that an industrial park would be of great benefit to the taxpayer, and due to this factor we felt if we took a back door approach to the referendum and were able to bring industry to Tinley, people would help themselves first and vote for the referendum. This is our goal, to create a prosperous community, which would assist all school districts. This would give you a great tax base. But we need your help, first. If you, as an individual will use the great privilege of voting and pass the referendum, we in turn will do everything possible to help with your taxes. Many opportunities have been available to us and we intend to pursue every possibility.

Please have patience, and take the first giant step for our district. Vote Yes for the referendum on April 4. You'll be doing a great service for yourself and your children, not to mention your community.

KEN AND CONNIE BOTS
Tinley Park

Village officials need display of service, less salesmanship

Tinley Park village administrators are probably without question some of the most intelligent and well informed ever elected to oversee village government in any of the south suburban villages in Cook County.

This past month has seen several signs of definite disagreement between these individuals who previously had limited their differences to insignificant innuendoes.

Whatever seems to be stirring up the majority of the members is obviously not a political reason. Previously aligned members (political party-wise or issue-wise) are now ready to exchange verbal disagreements openly.

It's about time.

Favorable public images are great — but, they take so long.

Why not call a spade a spade? If you want to get to the "heart" of a matter don't pass out "diamonds" with one hand when you hold a "club" in the other.

Disagree openly. The public elected seven men and they are entitled to hear seven voices in unison or opposition.

Salesmanship is becoming obsolete in politics. The public has been consistently exposed to sales pitches and is gradually becoming immune to smiles from elected officials. Open action builds stable platforms in politics. By "open action," we do not mean verbal insults. Manners are still important. We do mean logical disagreement based on intelligent conclusions not leading to a gray compromise.

The public has been educated

to the point where they are entitled to service — not salesmanship — from elected officials.

On second thought Elephants can't jump

I saw something in the newspapers last week that was reassuring. According to a cartoonist and illustrator, elephants can't jump. This is a very comforting thought.

With all the various groups vying with one another for more money, or rights as some of them refer to their goals, and Big Brother going through your pockets for a little more tax money, this is a token enough world without having leaping elephants.

Now I must admit there are no elephants in my immediate neighborhood. I imagine that I could walk for miles, when there is no circus in town, without encountering a single elephant but it is nice to know that if I should, he can't jump.

I know others will be glad to have that information too, especially those who live in neighborhoods frequented by elephants. Man is always trying his hand at improving on nature but fortunately his efforts have failed. Where they have partially succeeded, things are a sorry mess.

But just imagine what shape this world would be in if Congress, the state legislatures or the parliaments of the world tried to supplant the natural laws.

Man seldom looks ahead any further than the end of his nose while nature goes for the long pull. When the elephant was created it was a big package. Not as big as the mammoth but still on the large side. The elephant is quite a chunk of bone and muscle and for its size is fairly nimble on its feet and can move quite rapidly.

If such an animal could leap about it would be quite a menace. But nature has taken care of this. In making the elephant, nature skipped a bone-muscle-tendon combination that would enable it to jump. That is why one never sees an elephant entered in the broad jump or the high jump at any of track meets in this or any other country.

An elephant, it is said, is limited to the length of its stride in getting over an excavation. If his stride, for instance, is six feet, a ditch six and a half feet wide would stop him.

So if you meet up with an elephant that is feeling out of sorts and is ripping things apart put a wide ditch between yourself and the animal. If you have time to calculate the length of his stride, well and good, but if not look for a wide ditch. Creeks and rivers don't count. Elephants can go through those. And no use climbing a tree. Elephants can't climb and they can't jump but they can and frequently do push trees over and thus get at some of the top leaves for a snack.

The statistics relative to the heights a flea can attain in leaping are not at hand but one can say that it is many many times the creature's height.

Various members of the deer family can make prodigious leaps, in height as well as length. Some of the big cats do pretty well with the broad jump. If the elephant was built so he could jump several times his height and length he could be very tough to get along with.

As we recall it Disney's Dumbo could fly but he never bothered anyone. But maybe it's just as well that real elephants are denied means of flight. It is said that elephants are good workers but they would never fit into our economic system — they'll work for peanuts.

Linkletter discusses the drug problem

A word from Art Linkletter.....A piece of the world stopped for the Linkletters when our beautiful daughter Diane leaped from her apartment in the suicidal panic induced by LSD.

Diane would have been 21 that same month, and her prospects were bright for a successful career in show business. She had everything to live for: an exciting career, a loving family, good health, and no material worries. Therefore, the question remains—why should she have taken her life?

My only answer must be that she was out of her mind and driven to this insane act by the chemical tiger LSD that had been lurking in her bloodstream for months.

Now that she has left us as a result of this needless tragedy, I am determined to help others by crusading against the things, which led to her death and which are crippling millions of our American youth.

Therefore, I hope every person will endeavor to learn as much as possible about the dangers of drug abuse. Young people must be discouraged from committing their lives to a course without purpose, and parents must be encouraged to gain as much knowledge and expertise as they can in order to provide their children with strong guidance on the abuse of drugs, or from an authority's point of view....

There is one thing I think we are all missing the boat on. That is, we who are in authority find ourselves pretty ignorant about the drug problem around us. The school teacher, the parent, the school administrator, the businessman, and the housewife are all ignorant about the problem. Thus, when a young person starts talking about drugs, neither his

parents nor his teachers are really able to keep up with him.

Although much of his information is misinformation, the responsibility is still upon the shoulders of the parents and teachers to know something about one of the most devastating problems we have in our society. Yet we find ourselves lacking in knowledge about what's going on, and in our ability to even discuss it with young people.

As long as we have an uninformed public, parents, and teachers in this area, we're not going to make much headway. We will with the criminal, but he's going to pop up again and again. If we are going to solve the drug problem, we must do so through an effective educational process and one that can be accepted, according to John Finlator, deputy director, Federal Bureau of Narcotics and Dangerous Drugs, 1969.

Let's consider these words and take action. Become informed. The Palos Business and Professional Women's Club has been sponsoring Sunday sessions on drug abuse with experts in the field as the speakers.

The adults of the area are encouraged to join the informed. Don't bury your head in the sand. That's no solution. Down grading the young for their use of drugs will not solve it either.

Let's look at ourselves. What example and leadership are we the adults providing? Sunday, March 26, will bring the topic, Drug Abuse: Rehabilitation. Join us at 2:30 p.m. in the lower level of the Palos Savings and Loan on Harlem Avenue in Palos Heights. Three ex-users and an administrator of the rehabilitation center, Foundation II, in Tinley Park will speak with us. These people have been the route. These sessions are offered as a service to the area adults.

Further information concerning these and other Army enlistment options can be obtained by calling SSG Robert F. Dean at 636-3912 or 3913 or by visiting the Army Recruiting Station at 5246 West 95th Street in Oak Lawn.

Army announces new travel option plan

OAK LAWN — The Department of the Army has announced that the Army is offering new "training and travel" options for soldiers interested in combining Army schooling with overseas duty.

According to Staff Sergeant Robert F. Dean, local Army recruiter, after training in the United States, enlistees in the combat engineer or field artillery - missiles/rocket career groups are guaranteed 16 months with the United States Army, Europe.

Soldiers who select the Air Defense Missiles or law enforcement career groups can choose 13 months in Korea if desired.

Those who serve in Korea also have choice of assignment, world-wide, to any unit or geographical area where and when a vacancy exists in their job description and rank when they have completed their Korean tour.

SSG Dean said, "In addition to the career groups listed above, the Army is also offering "training and travel" options for specific training such as field radio mechanics, power generator equipment operators, ground surveillance radar crewman, and tank turret repairman."

Drugs cost 310 deaths in county in 1971

COOK COUNTY — Coroner Andrew J. Toman recently announced that a record 310 persons in Cook County died from drug overdoses during 1971.

This is a 12 per cent increase over 1970, when a record 277 persons died from drug overdoses, and more than a 50 per cent increase over 1969, when 202 persons overdosed, Dr. Toman said.

"Our statistics dramatically indicate the widespread abuse of drugs," Dr. Toman stated. "This is a crisis that is not confined to the inner city; it is also prevalent in our so called better neighborhoods. Drug abuse knows no economic, racial,

social or ethnic limitations."

Dr. Toman said that of the 310 drug deaths last year, 251 occurred in Chicago and 59 in the suburban area. He said 188 of the victims were White, 115 were Black, four were Oriental, and three were American Indian.

By sex, 196 of the victims were male and 114 female, he said.

Dr. Toman reported that the majority of the overdose victims died from heroin or morphine, which in the body are chemically identical. The second biggest killer was barbiturates. Of the 310 deaths, 184 were found to have overdosed from

morphine and heroin, and 92 from barbiturates.

The coroner warned that most of the deaths were not suicides, but resulted from carelessness and ignorance.

"He added that the majority of the deaths broke down into two categories.

"First there is the hard line user or addict who "overshoots" an excessive amount of heroin or morphine," Dr. Toman said. "This often occurs when an addict obtains an unusually strong dose of narcotic and mainlines it."

"Secondly, there is the non-addict. This is the person who overdoses on barbitu-

rates. The primary cause here is mixing the drug with alcohol. There are many type barbiturates that alone are not fatal; but mixed with alcohol can cause death."

Dr. Toman warned that there are no "quick solutions or easy answers" to the overdose crisis. He said one need is more educational program to warn of the dangers of drug overdosing.

"As coroner, I see the unfortunate results of this carelessness and ignorance," Dr. Toman said. "I only hope that these figures will help our society become aware of this alarming trend."

Voters in District 510 reject referendum

SOUTH HOLLAND — Voters in the Thornton Community College district overwhelmingly rejected a pair of referendum proposals last Saturday. The bond issue for the educational fund was defeated 6673 "no" votes to 2405 "yes" votes, while the proposal for the building fund went down 7001 to 2356.

Philip Dalby, president of the college, said, "The failure of the referendum was

due to the reluctance of people to be further taxed. We hope that it has nothing to do with the voters' opinion of the college itself.

Dalby added that there was a "very vicious" telephone campaign conducted on Saturday against the referendum. He said that anonymous callers told persons to vote against the bond issue. "They would say things like, 'This will double your taxes,'" said Dalby. He said that these callers were concentrated in Harvey and Dolton.

TCC will not try for another referendum in the foreseeable future, said Dalby. "We will put more effort into getting state support for our college," he said. "Two-year schools are presently almost ignored when it comes to state aid."

As a result of the defeat, there will have to be some cutbacks in college programs. Dalby said some of the less popular programs may be cut out. Also, there may be a major cutback in adult education programs. "Non credit courses are not supported by state funds," he said. "We will try to keep some of the most popular non-credit adult courses, especially those which provide a community service, but others, especially recreation programs will have to be cut out."

"I'm glad the turnout was high, even if it was against us," said Dalby. "That was significant. And that was positive. It showed that one way or the other, the public is concerned with Thornton Community College."

Army pay raise is announced by recruiter

OAK LAWN — A major pay raise for members of the United States Army became effective today according to SSG Dean, Army recruiter for Oak Lawn. The pay raise, which was enacted into law on September 28, had been withheld temporarily as part of President Nixon's freeze on prices and wages.

Under the terms of the military pay bill, newly-enlisted soldiers will receive \$288.00 per month. This compares with \$134.40 under the previous law.

The pay raise will not only include substantial increases in basic pay, but will also raise quarters and ration allowances.

The new pay scales are a giant step towards making military pay for lower ranking enlisted men and junior officers comparable with that offered by business and industry. According to U.S. government statistics, the average hourly wage in the manufacturing industry in 1970 was \$3.36. Army pay for a sergeant, E-5, by comparison, will now amount to \$3.11 per hour if the sergeant is authorized and receiving quarters and ration allowances. If the same sergeant were married, his hourly pay rate would rise to \$3.40.

Army officials state the average service time required to reach the rank of sergeant, E-5, is in the neighborhood of 22 months active service.

"When coupled with the traditional Army benefits such as free medical and dental care, clothing, room and board and retirement benefits, the new pay increase makes Army service truly competitive as a career choice," the Army recruiter stated.

"Opportunities and challenges in the Army for the young man who applies himself have never been better, in short, Today's Army Wants to Join You and we're proving it," he concluded.

For further information on the new pay scales and additional information on enlistment opportunities, see SSG Dean at his office located at 5246 W. 95th St. in Oak Lawn, Or, call him at 636-3913.

Service awards

Awards were recently given for volunteer service to the Service League of Lutheran South Hospital which recently has merged with the Governors General Health Services of Park Forest South. At the left is Mrs. Thomas DeJan, Tinley Park, who has given 500 volunteer hours. The other is Mrs. Fred Wiegel, Lincoln Estates, a 1,000-hour volunteer.

Sign language course offered at Calvary

OAK FOREST — A 10-week course of instruction in the fundamentals of sign language will be taught at the Calvary Baptist Church, 149th and Laramie in Oak Forest, beginning Monday, March 27, from 7:30 - 9:30 p.m. The Rev. Keith Webster, missionary-pastor to the deaf, will be conducting these classes, which will cover such subjects as "The Manual Alphabet", "Do's and Don'ts for the Beginner Worker with the Deaf", "Rules of Interpretation", and "Singing with Signs".

Utilizing the total communication method of finger spelling, lip reading and signs, some 750 signs will be learned during the 10-week period.

The Rev. Webster, who has taught such sign language classes and started deaf works in Maryland, Pa. and West Virginia, is on the staff of the Calvary Baptist Church and interprets the services and teaches the deaf Sunday School class.

Police Commissioner Gerald Monnett (left) presented Officer Joe Ordonez a copy of the resolution passed recently by the Orland Park village board recognizing Ordonez for his heroic efforts at the time of the Melrose Fireworks Display Co. disaster.

Honor for Ordonez

WHEREAS Joe N. Ordonez was employed by the Village of Orland Park, Illinois, on March 17, 1969, as a patrolman, and WHEREAS the duty of a patrolman is to protect the life and property of those residing and doing business in the Village, and WHEREAS on March 6, 1972, at approximately 2 p.m. the Melrose Fireworks Display Company, employing thirty persons more or less, suffered a series of explosions, and WHEREAS Patrolman Ordonez arrived at the scene minutes after the first explosion and immediately proceeded to ward the employees fleeing the disaster, and WHEREAS hearing another explosion and not being unmindful of danger to Village property, he attempted to save it, and WHEREAS in spite of suffering a leg injury and concussion, he refused help for himself and continued his life-preserving efforts, THEREFORE, BE IT

RESOLVED That the people of the Village of Orland Park, Illinois, their president and elected officials go on record expressing their sincere appreciation to Patrolman Ordonez for his heroic behavior and their sense of awe at his going far beyond the call of duty in their behalf.

Gene C. Bates, Clerk
Adopted March 13, 1972

LWV sets candidate meetings

SOUTHWEST — Voters in the area will go to the polls April 8 to select the school board members who will be responsible for setting school policy over the next three years. In high school District 228 there are openings for two three-year terms and one one-year term.

So that each voter will be able to choose his candidates intelligently, the League of Women Voters of Hazel Crest has set up a series of candidates meetings at each of the four high schools in District 228. These meetings will enable each candidate to present his qualifications and to discuss what he feels are the most impor-

tant questions facing the schools. Voters will be able to ask specific questions of each candidate.

All meetings will begin at 8 p.m. and moderators will be provided by the League. The schedule of meetings are: Wednesday, March 22, Bremen High School library, 15201 S. Crawford Ave., Midlothian; Thursday, March 23, Hillcrest High School, room 100, 175th Street and Crawford Avenue, Country Club Hills; Monday, March 27, Tully Park High School cafeteria, 6111 W. 175th St.; and Wednesday, March 29, Oak Forest High School, cafeteria, 151st Street

and Central Avenue.

Residents of elementary school district 144 will be able to hear candidates for that school board at 8 p.m. Tuesday, March 28, at the Canterbury Junior High School all purpose room. The League has asked all candidates to attend and give a five-minute presentation. A question and answer period will be included. There are openings for three three year terms in District 144.

Thornton Community College District 510 candidates will not appear at these meetings, but voters have been urged to inform themselves about these candidates also.

Airman finishes basic training

NEW LENOX — Marine Pfc. Daniel C. Miller, son of Mr. and Mrs. F.J. Miller, 145 Ash St., New Lenox, was meritoriously promoted to his present rank upon graduation from basic training at the Marine Corps Recruit Depot, San Diego.

He received the meritorious promotion in recognition of his outstanding performance in all phases of recruit training. He is a graduate of Lincoln-Way High School.

Board hopefuls speak at Hille

OAK FOREST — Candidates for the school boards in Districts 142, 228 and 510 will speak at a meeting of the Forest Ridge PTA Thursday, March 23, at the Hille School.

Entertainment will be provided by the Jack Hille mixed choral group, which consists of students.

Songs to be presented include "Shenandoah," "Blowin' in the Wind," "Swing Low Sweet Chariot," and "This Land Is Your Land."

Refreshments will be served by the third grade room representatives.

VERY ORIGINAL.

We call it The 14th Colony. You'll probably call it revolutionary. It's located in the scenic Fox River Valley countryside about a half mile east of Batavia. The 14th Colony is a settlement for families who value such old-fashioned virtues as good taste and community pride. It has been carefully planned with vital protections written into every deed, in the same manner Arthur T. McIntosh & Company has established the enviable communities of Inverness, Prestwick and Farmington. And it's very original. Each piece of land is irregular about one-third of an acre. The homes are inspired by Early Americana and reflect tasteful architecture and craftsmanship rarely found in the homes of today. The detailing is exquisite and warm touches of elegance abound in

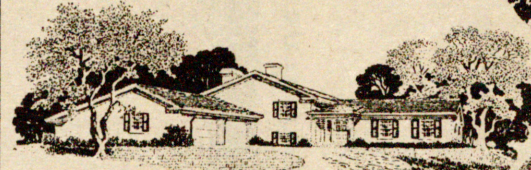

quarry tile foyers, beamed ceilings, curving staircases, oak floors, huge raised hearth fireplaces and wood panelling. All are built with honest quality. And while we believe in independence, every homesite has water, sewer and underground utilities. You can homestead at the 14th Colony from \$38,750 to \$55,000 including the fully improved homesite. Our boundaries are open every day—10 am till dark.

Buy your homesite now under contract. If you are planning to build in the future, or wish to invest in land, you can purchase your 14th Colony homesite direct from Arthur T. McIntosh & Co.—20% down, 7% simple interest.* Homesites range from \$9,000 to \$12,800.

*Example—\$10,000 purchase, \$2000 down, 84 monthly payments of \$120.75, 7% annual percentage rate.

DELAWARE — \$30,950

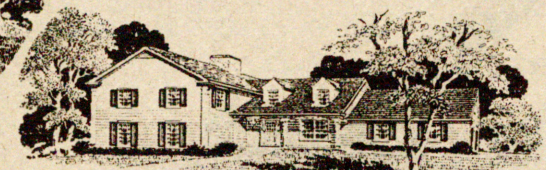

PENNSYLVANIA HOMESTEAD \$32,900

NEW HAMPSHIRE COTTAGE — \$36,050

JAMESTOWN — \$35,500

VERMONT FARMHOUSE — \$41,700

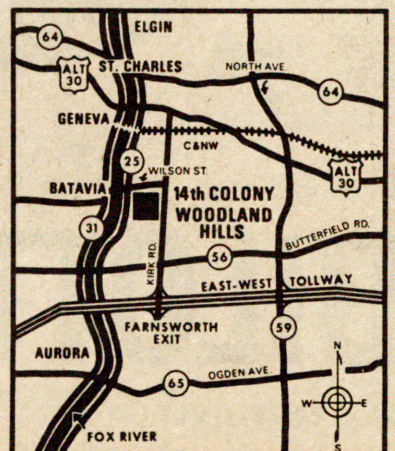

Model prices above do not include homesite.

Take E-W Tollway to Farnsworth exit (4 mi. west of Rte. 59); then north 2 mi. to property entrance on Kirk Rd.

Kirby junior scientists display their talents

TINLEY PARK — The annual Kirby School science fair was held Saturday, March 11, was reported well attended by interested District 140 parents.

There were 130 entries pre-selected by science teachers from 250 projects originally prepared.

The 15 outstanding winners in the seventh and eighth grades are eligible to compete at the Illinois Institute of Technology April 8. The winners at IIT will be entered in the State Science Fair in Champaign.

The winners are JoAnn Bragg and Susan McKibben, mutation of bacteria; Kathryn Minnich, insectivorous plants — The Meat Eaters; Cheryl Bannes, Moss, the carpet of the forest; Joan Piekarz, hydroponics; Julie Halas and Janet Rich-

ards, stay power is on ecology's side — are you?; Christine Oak, preserving snow crystals in plastic; Ronald Snook, tornadoes; Paul Larsen, predicting weather.

Also, Teresa Garand, double trouble — identical and fraternal twins; John Turner, polarizing light; Donald Beran, magnetism; Douglas Lindemann, taxidermy; Stephen Boyd, fish reactions; Penny McCord, the effect of nicotine on paramecium; and Janice Bolton and Catherine Smurawski, point of no return.

The first place winners were Michael Bielich, the electric motor; Barbara Carey, film developing and printing; Brian Wilson, Newton's third law of motion; Dianne Miller, molds; Thomas

Hammerstein, dams; and Richard Kunde, water purification.

The second place winners were Raymond Anderson, Gregory Gecas, Sandra Anderson, Jannette LeBryk, Connie Bartlett, Tamara Pribyl, David Bath, Wayne Beatty, Gloria Bechstein, Debra Workowski, Timothy Belgrave, William Harlan, Mark Benko, David Schroer, Debra Buckley, Laura Gottfreid, Marilyn Buckley, James Bukowski, Randall Chandler, Wayne Clack, George Connors.

Other second place winners were: William Crum, William Cummings, Carl Hokanson, Jeanine Gauer, Nanci Gawley, Laura Glidewell, Kathleen Grace, Robert Hebel, Ray Warf, Suzanne Hintz, Robert Jabs, Steven Mezger, Betty Kaleris, Karen Kozicki, Constance Kline,

Jacqueline Kruzel, JoAnn Fredendall, Linda Laird, Lloyd Lodewegen, Cary McKeebe, Mark Howell, Debra McKibben, Nancy Merrill, Stephen Mihalovits, Deborah Norkiewicz, Gary Norkiewicz, Robert Hawkinson and Thomas Novak.

Also, Marie Pashos, Denise Phillips, Sara Smith, Pauline Putman, Marilyn Quintinsky, Donna Reed, Susan Risk, Marilyn Ryan, Susan Schroer, Susan Slovey, Cynthia Smalley, Tod Sterne, James McGill, Steven Stronk, Daniel Cain and Celeste Zablouil.

Those receiving honorable mention were Donna Belliveau, Teresa Bonat, Wayne Bulthuis, Mark Campbell, Donald Carlson, Robert Dippold, John Mickiewicz, Michael Miller, Gene White, Kenneth Retz, William Satek, Timothy Stockley and Joseph Vincent.

The sixth grade science fair was also held March 11, however winners are not eligible for competition at I.T.T.

Sixty pre-selected projects were judged and displayed.

First place winners and their projects were: Robert Okroi, basic electricity; Barbara Smith and Jackie Breeden, working with ferns; Jeffrey Stewart, air pressure and its effects; Robert Lucas, fingerprints; and Susan Sandgren and Jacqueline Clemes, plants without soil.

Second place winners were Sharon

Lueken, Kathleen Fredendall, Linda Liedtke, Katherine Durkin, Barbara Zimmerman, Kathleen Gebski, Cynthia Bittenger, Kathleen Kluck, Maureen Dorey, Carol Schneider and Karen Johnson.

Luncheon was served to the judges by Mrs. Irene Piekarz. The science teachers at Kirby, Marshall Staley, Dorothy Christiansen and Dennis Gurney expressed appreciation to the judges.

The judges were Mayor John Dunn, Raymond Christiansen and Roy Kulpinski,

Lincoln Junior High; Mr. Gungoll and Ralph Moorehouse, Tinley Park High School; Mrs. Patricia Gurney, Western Springs School; Terry Gurney, Loyola University; Mrs. Margaret Halderson, Illinois State University; George Halder-

son, Thornridge High School; James Pudlewski, James Harte Junior High; Norval McCord Jr., Moraine Valley Community College; Mrs. Patricia Staley, New Central Junior High School and James Taylor, Western Electric Company.

Obituaries

PERRY F. MCVAY

Funeral services for Perry F. McVay, a former resident of Tinley Park, were held March 17 from Martin Funeral Home in Roselle. Interment was in Washington Memorial Gardens, Homewood.

Mr. McVay, who was residing in Hoffman Estates, died March 3 at Resurrection Hospital, Chicago. A crew scheduler for American Airlines for 25 years, he was born Aug. 19, 1920, in Kirksville, Missouri.

He is survived by his wife, Barbara, three children, Edward, William and Paula, all at home; three brothers, Merle, Alsp; Jack, Kirksville; and Robert, Westminster, Calif.; and a sister, Frances Fortney, Kirksville.

in May 1971 because of ill health.

While residing in Tinley Park he was a member of the Tinley Park American Legion Post 615. He was also a member of Harold Snyder Post, Disabled American Veterans, Lu-Scot-Cu Trailer Club and the Travel Trailer Clubs of the Midwest.

He is survived by his wife, Lydia Jane; a son George, 17; a daughter, Lydia Jean, 13, both at home; his mother, Mrs. Charles (Cora) Ostberg, Ark.; three brothers, John, Homewood; Harry, Tinley Park; and Louis, Orland Park; three sisters, Mrs. Claude Turner, Torrance, Calif.; Mrs. Harry Gerdez, Markham; Mrs. Daniel Walski, Homewood; and several nieces and nephews.

DANIEL M. BUETTNER

Funeral services for Daniel M. Buettner, 24, formerly of Tinley Park, were held March 18 from the Hickey and Vandenberg Chapel to St. George Church. The Rev. Thomas D. O'Connell officiated and interment was at Holy Sepulchre Cemetery.

Buettner, who was residing at 6831 Springbrook Road, Parkmont, Mich., died March 16 at Paw Paw, Mich. He was born July 3, 1947 in Illinois.

He is survived by his father, Daniel; a brother, Robert S.; two sisters, Mary Ann and Susan P.; and his grandmother, Bridgete Henahan. He was preceded in death by his mother, Mary Agnes Buettner.

You could go all the way to the Chevrolet All-American championship. In the Soap Box Derby racer you build yourself.

And win the \$7,500 first place college scholarship, just part of the \$30,000 in scholarships awarded by Chevrolet.

Register for the Soap Box Derby this week at your local sponsoring Chevrolet dealer's. They're expecting you. They have an official Rule Book for you that tells how to build your racer.

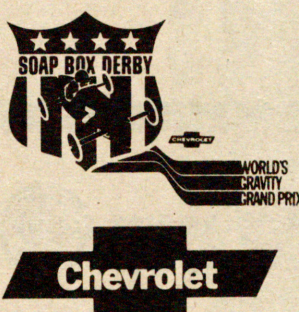

If you win your local Soap Box Derby, you receive a special trophy, a \$500 Savings Bond and a trip to Akron, Ohio, for the All-American championship race.

But win or not, it's fun to build a Soap Box Derby racer. So if you're age 11 through 15, get rolling right away. Sign up for the 1972 Soap Box Derby.

"Way to go, Champ."

Larry Blair, 13, winner of the 1971 All-American Soap Box Derby, receives his championship trophy and congratulations from Mr. Robert D. Lund, Chevrolet General Sales Manager.

Board in unity move

By Mitchell J. Sobota

WESTHAVEN — At the regularly scheduled meeting of March 18, members of the Westhaven Village Board vowed to unite and cooperate together in order to benefit the people of Westhaven. The need for unity and cooperation was stressed prior to the meeting being called to order when Mrs. Edna Garber of 16141 Haven, near tears, said that she has been a citizen of Westhaven only a week, but has already been approached by members of the Homeowner's Association with "petty garbage" about Curt Whitaker and other members of the board.

Addressing Whitaker, Mrs. Garber said, "Stop bickering and unite. You were elected by the people and if they're dissatisfied, they'll either impeach you or not elect you at the next election. I'll watch your actions," she said pointing

to Whitaker, "and by the time of the next election I'll make up my own mind about you."

Mrs. Garber said that members of the Homeowner's Club wait until her husband goes to work, then come and threaten that unless she joins them against Whitaker and others, her children would not be allowed to play basketball and participate in other activities. She concluded with, "If this board and community can't unite, then don't build another house and burn down those that you do have. Otherwise, God help us all."

Shortly after the meeting was officially called to order, Mayor Whitaker stated that the minutes of the March 4 meeting were incorrect. He said that he had made a statement that the board should unite but that this statement was not in the minutes of the previous meeting. Whitaker asked that the reading of the minutes be tabled

in order to be corrected and so that he may question officially Village Clerk Charles Scott about the omission. The motion was passed unanimously.

In the Village President's report, Whitaker announced that during a meeting with officials of Tekton, it was revealed that a new building program is in the planning. The new program will include single dwellings, condominiums and apartment houses of maybe five stories. A 17-acre lake is also included in the plans. He stressed that, "There's a lot of work to be done. Zoning, planning and blueprints. I again urge the board to unite and cooperate to get this program going. There's been enough of this hacking at each other. I'm going to ask repeatedly that we get our noses down to the grindstones and work for the people."

Trustee Donald Kellogg, Chairman of Ordinances and Resolutions Committee stated that the village is receiving bills for legal fees and notices. He recommended that these fees be paid by those being annexed and not by the taxpayers. Trustee Charles Downey seconded the motion which was passed unanimously.

Chairman of Police and Fire John Miller said he had no statements to make on police officer Mike Graczyk in that the investigation on charges against him are still pending. He did point out, however, that Graczyk is not presently working as the village's police officer. Whitaker added that the officer is accused of leaving the boundaries of the village without justifiable cause and that the bills turned in by the officer should be checked closely. "We should look critically into the police department issues. We should write a set of rules that the police must abide by," said Whitaker. Trustee Miller agreed with the mayor and said that, "We should look into this together with cooperation from everybody."

During the Finance Committee's report by Trustee Charles Downey it was announced by Whitaker that former trustees and clerk will receive back pay at the next regularly scheduled meeting on April 1.

Whitaker stated that letters were sent to the State of Illinois for cooperation in obtaining a traffic light at Highway 45 and 167th; a caution light at Haven and 159th and a street light at 94th and 159th. Hope was expressed that replies would be received by the next meeting.

One of the most controversial points of the meeting was the fact that there were no committee meetings between the last two board meetings. Whitaker said that only trustee Downey called to say that he would not be able to show up for the committee meetings. Kellogg was asked from the audience why he didn't show. Kellogg said that he was at the Homeowner's meeting and that he had two other important meetings that evening.

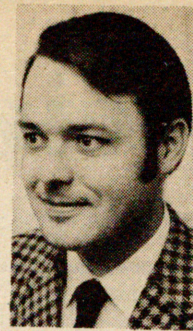

Whitaker said, "Let's forget past statements and start clean. Let's get our cards on the table and clear things up."

During the open-to-the-public portion of the meeting citizen Daniel Zarebski asked if any action was being taken on a volunteer fire department for the village. Whitaker answered that such plans are under study at the present time.

Due to the lack of committee meetings and that trustees Diane Bartholomey, Merdeith Macki, and Clerk Charles Scott were absent, the meeting was a short one. Though much discussion was presented, it was mostly unofficial and was merely person to person discussion.

Unity and cooperation was the theme of Westhaven's March 18 meeting.

RICHARD L. HUTCHISON

Hutchison seeks delegate post

SOUTHWEST COOK — Richard L. Hutchison, Tinley Park attorney, is a delegate candidate for the Democratic Convention to be held in Miami July 9.

Delegates will be selected on a paper ballot March 21 in the primary election. The delegates will select the Democratic candidate for President of the United States.

Hutchison, whose name is the first on the paper ballot, has been active in the Democratic Party for several years and was South Suburban campaign manager for Adlai Stevenson III in 1970.

He is campaign manager for his law partner, Leland H. Rayson, running for reelection as a state representative in the Ninth District.

Hutchison is also co-ordinator of the South Suburban campaign to elect Paul Simon governor of Illinois.

Hutchison resides in Tinley Park with his wife, Jan Joan, and their two children, Roger and Melinda.

NEW LENOX — Airman William K. Morris, son of Mr. and Mrs. R.L. Morris, 114 Terry Ellen Lane, New Lenox, has graduated at Sheppard AFB, Tex., from the technical training course.

'Astrology for everyone' is adult ed offering

NEW LENOX — "Oh, I read those horoscopes sometimes but..."

Well, people have been reading horoscopes, or hearing them explained for probably thousands of years so if one says he is studying astrology its nothing new.

Such a course, however, probably could be called novel because it happens to be part of the evening program for adult education at Lincoln-Way High School. But then there are odd courses that pop up in adult education and as time goes on one can expect them to get odder and odder.

Getting back to Lincoln-Way and astrology, a communication has arrived from the school to the effect that "Astrology for Everyone" is "one of the many interesting and unusual courses conducted as part of the adult education program at Lincoln-Way."

The course was finally offered after a number of requests were made to Kevin McGivern, coordinator of the adult education program. Fifteen are taking the course and are enjoying it.

Even the doubters get a kick out of it. Some are frank to say they are a little more than somewhat skeptical about the business but they wanted to study the subject, get something of its history, and the basis of the claims of its advocates that the planets exert influences on the behavior pattern of organisms.

The students are said to reflect a current national revival of interest in this science-art, according to the report from the school. On the other hand, others

claim, astrology has always had its devotees.

"If one may be permitted an aside some practitioners of the subject have worked up lucrative clientele in the business and sports world. Many new scientific discoveries hint at solar influences on animals as well as plants," class members learned.

Dr. Miki Takata of Japan, it is reported, has discovered a change in the flocculation index (blood composition) correlated to sun-spot activity. Dr. Frank A. Brown of Northwestern University has concluded after a 15-year study that plants and animals are capable of responding to changes wrought by the sun and the moon.

Contrary to popular opinion, it was brought out in this release on astrology, that it is concerned with the planets of our solar system, the sun and the moon. The stars do not enter into it, it was said.

The zodiac serves as a background in the sky in front of which the position of the planets can be plotted, much like a road map.

The students have learned that astrology does not deny the existence of free will nor does it profess predetermination.

"While some persons reject the study outright but with a passing knowledge of its intricacies, history teaches that much of what was once considered unscientific is now accepted as fact," the release states, adding that astrologers had agreed that the world was round while the official position on the matter was that it was flat.

New hearing on Fernway annexation tomorrow

FERNWAY — The next scene in the "Case of the Fernway Annexation" will take place Wednesday, March 22.

On March 15 Judge Harry Comerford set this date to hear a motion to strike objections raised by the Village of Westhaven to the annexation of Fernway subdivision to Orland Park.

This is the second petition filed by Leonard Carriere, attorney for the residents of Fernway. The first petition was dismissed Feb. 17 with the mutual agreement of Carriere and Herb Linn, attorney for Citizens Utilities Co., who objected to the annexation petition.

The petition had been found under investigation by Citizens Utilities to hold fewer than the required 50 per cent of land owners of legal record.

Carriere immediately refiled a petition for annexation carrying almost 100

per cent of the residents' signatures.

Citizens Utilities has not filed any objection to the present petition before the court.

Orland Park has a concurrent petition before Judge Comerford seeking to annex Fernway. The Village Attorney Raymond Pieper has indicated that the village may withdraw this petition and rely on the Fernway residents' petition. However, Pieper said, "We haven't taken this action as yet."

Westhaven's objection centered around 1.) the pending appeal to the order annexing the Silvestri property to Orland Park; 2.) insufficient contiguity established through a narrow strip of land; 3.) water and sewer facilities supplied to Fernway through private contract; 4.) the area is within 1 1/2 miles of Westhaven; 5.) Route 6 acts as a natural divider.

'Yankee' play at Laramie

OAK FOREST — When the eighth grade students at Laramie Junior High School present "The Connecticut Yankee in King Arthur's Court" at 8 p.m. March 24-25, they will feature an all star cast of players in this entertaining story.

The story tells of a shrewd and clever Yankee who finds himself in King Arthur's court, and who develops all the miracles of the 20th century to baffle the court of King Arthur.

Joyce Mroz, who plays the role of Queen Guenevere, offers an excellent characterization of a domineering queen who practically runs the good-natured and somewhat discouraged King Arthur, who is played by Tim Nelson.

Queen Morgan LeFay, the scheming,

McCarthy and Karen Newton.

Mike McElligott, as Hank Bennett, the Connecticut Yankee, has mastered a difficult and screamingly funny role. Marion, his sister, is breezily played by Mary Reyna, and Mrs. Bennett, the harassed mother of Hank, is played by Celeste Velasco.

Clarence, the mischievous page boy, is played by Brian McGregor, while Ralph Barfknecht and Mike Waller show how they would have been excellent knights of old in the roles of Sir Sagamor and Sir Lancelot.

black-hearted woman, will be played by Sue Elliott. Her villainous partner is Magician Merlin played by Dan Marler. Sandy and Elaine are two charming young ladies of the court and played by Lauren

er girl, Elizabeth 5, and the stepmother of Julie, 14, and an older married son.

TINLEY PARK — The Cub Scouts of America have announced the formation of Pack 385 for boys from eight to ten and a half-years old.

The sponsor of the pack is Faith United Presbyterian Church, 6200 W. 167th St. The pack will meet at 7:30 p.m. Friday, March 24. Boys wishing to join must attend the meeting accompanied by at least one parent.

Sponsors for the pack are the Rev. Robert Beeber and Jim Kelly.

Further information may be obtained by calling 532-8027.

MOKENA — Parents of kindergarten age children will attend the annual kindergarten registration of the Mokena public schools this Friday, March 24, in the Carpenter Street School gymnasium. Children will visit the kindergarten classes while the orientation is in progress. All youngsters who will be five years old on or before Dec. 1 will be of kindergarten age this fall.

Parents and children whose last names begin with the initials between A and L, are to attend the morning session at 9:30. The second session will begin at 1:30 p.m. for those whose names fall into the M to Z range.

Birth certificates must be brought for registration. If there are any questions, parents can call the school office at 479-2138.

TINLEY PARK — The Executive Board of the Southwest Cook County Cooperative Association for Special Education will meet at 9:30 a.m. Thursday, March 30, at the administrative center of Community Consolidated School District 146, 17316 S. Oak Park Ave.

TINLEY PARK — John Stepp, presiding minister of the Tinley Park Congregation of Jehovah's Witnesses, has announced that regular meetings will resume as 82 delegates return from a Bible seminar in Chicago.

The 82 Tinley Park delegates were among 2,114 persons who heard Ruben Cobos Jr. speak on the subject, "Are You Marked for Survival?"

MOKENA — An antenna anyone? Village Trustee Robert Teske reported to the board that the antenna at the Swanberg Building on Wolf Road near Hamilton Street, formerly used for transmitting radio messages to truck crews is going begging.

Mercury Plumbing which is now established in the building doesn't want the antenna. The Mokena Fire Department isn't interested, Teske said, and he wondered if it would be of any use to the village.

News Briefs

WESTHAVEN — A complaint has been filed by the Environmental Protection Agency against Citizens Utilities Company of Illinois.

The complaint alleges an illegal operation of a sewage treatment facility known as the Fernway Utility Company in Westhaven, Cook County. A hearing is mandatory.

Citizens Utilities supplies sewer and water to Westhaven and to the Fernway Subdivision. The company is that which had filed an objection to the original Fernway residents' petition to annex to Orland Park.

OAK FOREST — The Oak Forest police department is looking for young men 18 1/2-21 years of age for its cadet program. The men must be attending college and taking a law enforcement course.

Cadet trainees will be paid for time worked in the department, after a short training session. Cadets can work at other jobs and continue to attend school. Uniforms will be furnished. The cadet applicants will take a written and oral exam and an agility test. Applications may be obtained at the police department, 15601 Cicero. Deadline for applications is March 31.

OAK FOREST — The Joleen Watson Memorial Blood Program will hold a special blood drawing on Saturday, March 25, at Fieldcrest School, 4100 W. Wagon, Oak Forest, from 9:30 a.m. to 1:30 p.m. The purpose of the drawing is to make up the deficit of 74 blood units needed to fill the year's quota of 720.

Signs will be erected at the entrance to the Fieldcrest subdivision at 167th and Cicero to direct donors to the school.

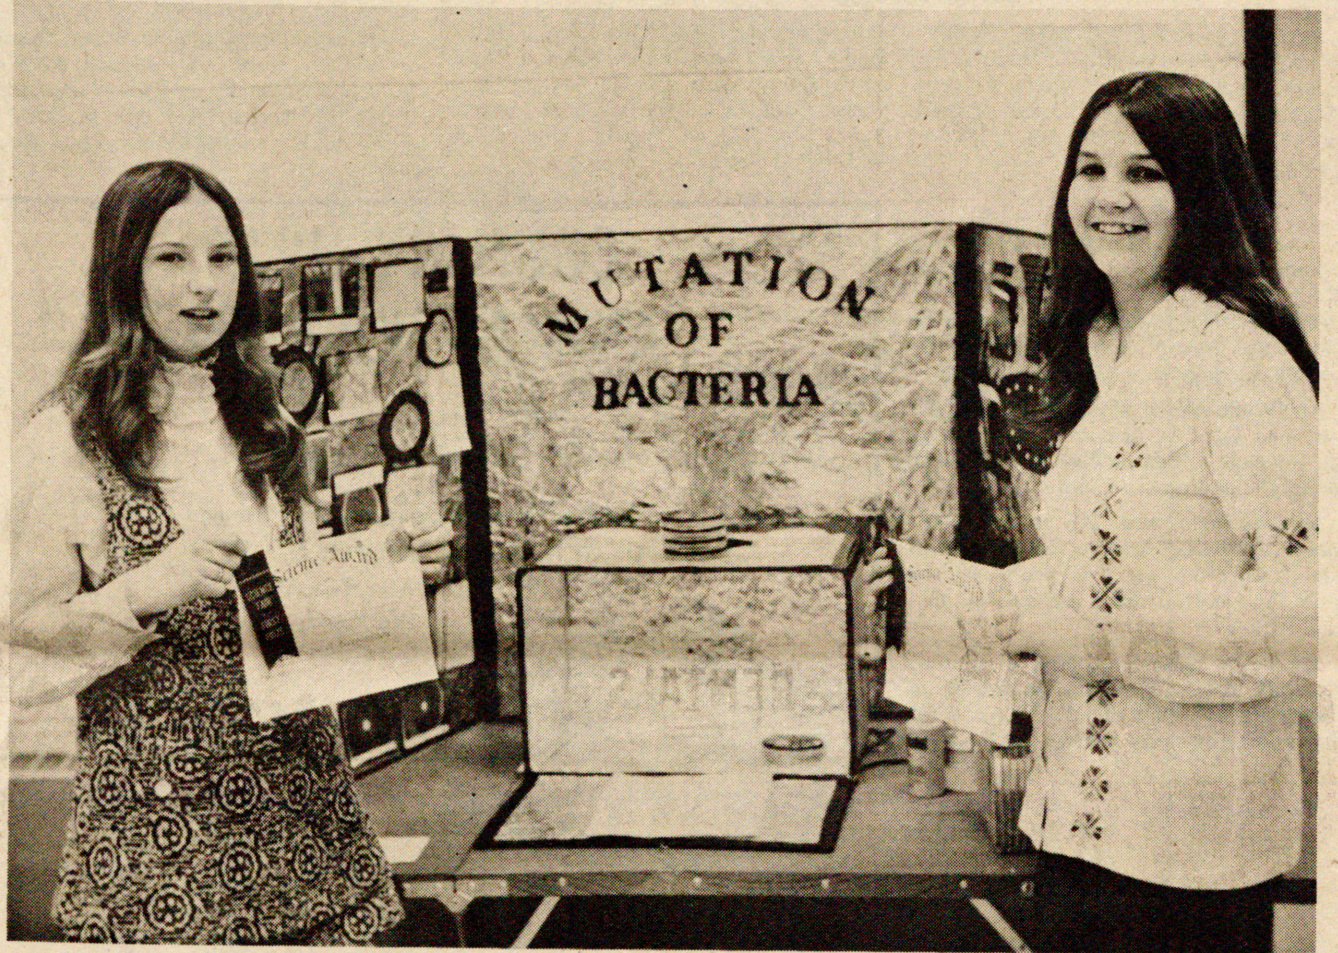

Those who have not yet participated in the program as blood donors are particularly urged to donate at this time. For an appointment, call 687-7737.

ORLAND PARK — Orland Park is growing by leaps and bounds but it's doubtful that anyone wanted "in" as much as Kimberly Eve Grigat.

Kimberly joined the community on March 5, 1972 by being born in her father's car on the way to South Suburban Hospital.

The Grigats, who live at 9217 Fairway, left for the hospital at 7:30 a.m. Sunday morning with what they thought was ample time to conduct matters in a leisurely way. However, when they were a few blocks from the hospital Mrs. Gloria Grigat knew that birth was imminent. Her husband, Albert, drove up to the hospital entrance and went to get help.

When the father returned to the car with hospital assistance Mrs. Grigat Mrs. Grigat is the mother of an old-

"Mutation of bacteria" is one of the 15 exhibits from the annual Kirby School science fair which will be entered in the regional competition April 8. JoAnn Bragg (left) and Susan McKibben created the display.

On the blotter

Two injured in auto accident

Tinley Park

March 11 — Two persons were injured after being involved in an accident at 159th Street and Harlem Avenue. Joseph Kozlowski, 7638 W. 161st St., was attempting to make a left turn when the car he was driving was struck by a car driven by Robert Harris, 17250 S. 71st Ave., who was traveling south on Harlem Avenue.

After the impact the Kozlowski car spun around and struck a third vehicle.

Kozlowski suffered a fractured right shoulder and a passenger in the Harris car, Stephanie Harris, suffered head injuries. Both were transported to Ingalls Memorial Hospital by the Orland Park Ambulance.

Kozlowski was charged by police for failure to yield while making a left turn and will appear in Court May 10.

March 14 — Returning home from bowling, the William North family found their home burglarized. Among the items listed missing were \$80 in cash, \$30 in change, savings bonds and miscellaneous papers.

March 15 — David Neumann, 17262 S. 71st Ct., reported to police tires and rims from the rear of his 1971 Chevy were taken.

Tinley Park Fire Calls

March 9 and 10 — A number of grass fires were answered along the Rock Island Railroad right of way.

March 11 — A report of a grass fire at 17120 S. Oleander brought units out.

Orland Park Police

March 12 — Police were called to assist when a raccoon was found in the driveway of Jim Frelichowski, 15267 Hi-watha. The animal was taken to the woods.

March 13 — Driving at 94th Avenue and 145th Street Doris Carline, 9030 W. 147th St., saw a girl walking in the street. The driver stopped the car when she saw the school bus coming toward her but said because of the ice on the road the car slid into the girl. Police reported that Mary Sobieski, 9301 W. 147th St. was apparently not injured.

March 13 — While driving a dump truck in salting the streets, Bobby Fulk, 9300 W. Birch, unsuccessfully attempted to lower the bed for the viaduct. \$400 damage to the vehicle occurred as it hit the Norfolk and Western viaduct at 144th Street and First Avenue.

March 13 — Phillip Ebeling, operator of the Laundromat at 14418 Jefferson,

reported a loss of \$136 in currency following a burglary that occurred sometime during the night.

March 14 — An unidentified vehicle struck the parked car of Thomas Mann, 9104 Fairway, causing estimated damage of \$200.

March 14 — After leaving his vehicle which had broken down at 141st Street and Route 45, on March 11, Gerald Barker, Palos Park, returned March 14 to find \$316 of items removed. The top of convertible had been cut.

March 14 — A report of a child stuck in a field in mud behind 15230 El Cameno Real brought police. Officers removed the child and brought him home.

Oak Forest

March 10 — A patio door was broken at 15127 Hillside.

March 10 — Police reported a burglary at 16017 Oak. Taken were two necklaces, three pairs of earrings, 158 pennies, a Canadian quarter, and an ankle and wrist bracelet.

March 12 — Two cars were damaged when a piece of street caved in under them in a construction area, that was blocked off near 159th and Latrobe.

March 14 — Police reported a car fire at 16980 Laramie.

March 16 — A youth was knocked in the mud and kicked by two other youths as he got off a bus near LeClaire and Coulter.

March 16 — Police recovered a stolen motorcycle in the driveway of 5454 El Vista Drive. The recovery was made after a police officer went in pursuit of a

youth on a cycle who had made a U-turn at 151st and Mission. The youth abandoned the cycle on El Vista.

Mokena Fire Calls

MOKENA—March 11, firemen answered a false alarm at 9207 Pleasant St., Tinley Gardens.

March 12—A grass fire was extinguished on 108th Avenue and 168th Street.

Firemen extinguished a garage fire on Francis Road, west of Wolf Road.

Ignition of gasoline fumes was given as cause of blaze.

March 13—Mokena responded to assist request by Orland Park Fire Department on a farm fire at 8500 143d Street.

The rescue squad was called to 20026 Wolf Road to aid a victim of an automobile mishap.

Extinguished a brush and lumber fire on 179th Street, quarter mile west of U.S. 6.

Moraine clergy planning Good Friday service

PALOS — The member churches of the Moraine Valley Clergy Association has extended an invitation to the people of the Moraine Valley communities to attend this year's ecumenical Good Friday worship service scheduled for Friday March 31, at the United Methodist Church of Worth, located at 112th Street and Depot.

Focusing upon Christ's "Seven Last Words," the service will begin at 1:30 p.m. and will include local clergymen as speakers. Liturgist will be the Rev. David Scott, Redeemer Methodist Church, Bridgeview; First Word, The Rev. Raymond Molander, Palos Park Presbyterian Community Church; Second Word, The Rev. Bruce Laverman, Reformed Church of Palos Heights.

The Third Word, The Rev. Charles Armentrout, Hickory Hills Presbyterian Church; Fourth Word, The Rev. Peter Dunne, St. Michael Church, Orland Park; Fifth Word, The Rev. Keith Leach, Episcopal Church of the Transfiguration, Palos Park; The Sixth Word, The Rev. Owen Carr, The Stone Church, Palos Heights; and the Seventh Word, The Rev. Paul Sanders, Community Center Foundation.

Soloists for the service will include Daphne-Ann Haynes, Palos Park Presbyterian Church, and Ginger Farquhar, The Stone Church. The Junior Choir of the Hickory Hills Presbyterian Church will sing also. Organist will be Mrs. Robert Ripley.

District 228 reviews insurance program

MIDLOTHIAN — March bills totaling \$167,449.62 were approved by the School District 228 Board of Education at the March 14 meeting at the Bremen Administrative Center.

Wallace Carpenter, assistant supt. of business, presented a breakdown of these bills: education fund, \$129,795.71; building fund, \$5,967.87; transportation fund, \$31,389.97, and Title I fund, \$296.07.

February payroll also was approved as read: education, \$516,995.75; building, \$66,667.08; Illinois Municipal Retarded fund, \$10,514.68.

The board extensively reviewed the advisability of taking a new insurance policy, according to Cap Dace, insurance broker for District 228. He brought two representatives of Johnson-Higgins Insurance Brokerage and Consulting Firm to speak to the board. D. J. Price and R. G. Pound informed the board members of various disadvantages of being underinsured and pointed out areas in which too little insurance could be hazardous.

Said Pound, "Boards have been sued for the failure to allow minority groups to use school premises. Also, for failure to settle teacher's strikes." The policy proposed by Dace should give substantial premium savings and yet provide fuller coverage.

The braun, brainy Bremen High School swim team was treated to luncheon by two Midlothian business men. The team, having some boys competing in the state finals also were winners of the "Its

Academic" TV program. Mr. Portillo, owner of Brown's Fried Chicken treated the boys to lunch at Cavallini's restaurant, and John Horne, manager of McDonald's drive-in bused the boys on one of his large buses to the Yesterday restaurant in Kankakee.

The conference realignment as set up by the South Inter-Conference Board of Control on Jan. 26 was made effective on March 1. The resolution was passed 14 to 1, with District 228 the dissenter. Supt. Flynn said that schools can make application for change of location if they should choose to. These changes will not be effected immediately on request, however.

Richard Kopecky, vocational director of the Southwest Cooperative, advised the board of a vocational rehabilitation program which he believes will tend to eliminate vocational school drop-outs.

"We've had the problem of the student who discovers that the course he has chosen, i.e., auto mechanics, is not to his liking," said Kopecky. "Greer Vocational now offers an orientation course to students who are still in high school." Five areas have been chosen for the orientation program: automotive mechanics, body and fender repair, diesel mechanics, refrigeration and air conditioning and welding (arc, gas, heliarc).

Once a week the students are bused from their school to Greer, where they have a four-week exposure to each of the five areas mentioned. They are encouraged to take all five for a total time of 20 weeks.

New Lenox

By Dolores Anderson
815-485-2365

The New Lenox Unit of Homemakers Extension Association will hold their meeting Friday, March 24 at 12:30 p.m. in the home of Mrs. Walter Grimes, 109 Beverly Drive. The lesson "Drawing Up a Will" will be given by Mrs. Phyllis Huerter.

Lenten service Wednesday March 22 in Grace Episcopal Church will begin at 7 a.m. with a Youth Eucharist; 11:00 a.m. Holy Communion; and 7:30 p.m. Stations of the Cross; Thursday March 23, a Businessmen's Eucharist at 6:30 a.m.; and Friday March 24, 9 a.m. Holy Communion.

Mid-week Lenten Fellowship Supper and Program at United Methodist church will be held Wednesday, March 22 with pot luck supper at 6:30 p.m. Program will be Christian History as seen from pictures of church architecture. (Gleanings from the pastor's seminar trip to Europe last summer). Palm Sunday services will be at 9:30 and 11:00 a.m. with Church school at 9:30 and 11 a.m. also.

Mr. and Mrs. Eugene Randolph have returned home from a trip to Daytona Beach Fla. where they attended the Daytona International Motorcycle Races, at the Daytona Beach Speedway. They flew down Thursday night and returned Monday night.

Mr. and Mrs. Earl Schroeder have returned home from Florida where they spent a four weeks vacation. They visited in Brandon, with Mr. Schroeder's mother, Mrs. Freida Schroeder, and enjoyed a week-end trip to Nassau in the Bahamas.

Trinity Youth League will meet at 6:30 p.m. March 26 at church hall.

First Baptist Womens Missionary Union will meet at one p.m., Tuesday, March 28 in the church hall.

The New Lenox Civil Defense unit will meet at the village hall Tuesday night, March 28 at 8 p.m.

Trinity Womens League will meet at the church hall at 1 p.m. Tuesday March 28.

The Newcomers Club will meet Thursday night, March 23 at 8 p.m. in the home of Mrs. Donald Tolen, Windermere. Co-hostess is Mrs. Ray Glidewell.

Boy Scout Troop 12 are collecting newspapers now in a drive that will help finance a canoe trip for the troop this summer.

Plans are being made for the troop to go to Ely, Minn. where they will spend a week of camping and canoeing. Anyone having papers to be picked up should call any of the three following scouts: Bill Krohn, 485-6640; Rich Koller, 485-6287; or Carl Friant, 485-2485.

Mokena

By Jean Bradley
312-479-9321

MOKENA — Rite of confirmation will be observed on Sunday, March 26 at St. John's United Church of Christ. Rev. Laslo Hunyady will officiate. The class is as follows: Bruce D. Bettenhausen, JoAnn Bisgrove, Sandra L. Buske, Elizabeth A. Ernsting, Robert G. Ernsting, Joy D. Fulton, Carrie L. Grady, Wendy L. Guendling, Jeffrey W. Haas, Diana J. Hill, Barbara K. Horras, Dean L. Hunyady, Randall O. Peterson, Cheryl K. Rich-

ardson, Cheryl L. Rust, Edward H. Stege, Sharon E. Teague, Patricia D. Townsend and Mark D. Yunker.

The Mokena PTA meets at 8 p.m. Tuesday, March 28 at Willowcrest School. There will be a panel discussion on The Owens Development and our school system. A panel of representatives of our school and community will take part.

Mrs. Dorothy Grady's third grade class will have a skit. Election of officers for the 1972-73 school year will be held. The second grade room mothers are in charge of the social hour.

Mrs. David Lundquist was hostess on Monday to the Evening Belles Homemakers Extension Unit. Co-hostess was Mrs. Fremont Warning.

Mrs. Jim Winegar and Mrs. Everette Rieck presented the lesson on "Making a Will". Guests were Mrs. Betty Minen and Mrs. Janice Carlos.

The annual Tri-Kena Girl Scout Rally held on March 12 at Frankfort Grade School was a huge success, with all troops performing admirably. A special thanks to St. John's United Church of Christ for the beautiful bouquets of flowers for the stage.

The annual Tri-Kena Girl Scout rally which was held on Sunday, March 12 at the Frankfort School gym was a huge success with all the Lincoln Estates and Prestwick troops performing beautifully. A special thanks to Mr. and Mrs. Mike Stael for the stage decorations.

Mr. George Kaehler attended a get together of her card club at the home of Mrs. Walter Johnson, Chicago, on Friday evening.

The Junior Girl Scout Troop 378 attended the annual Tri-Kena Girl Scout birthday rally celebrating 60 years of Girl Scouting in America. All 19 troops of the Tri-Kena neighborhood were represented.

The rally was well attended by scout parents and friends. The theme for the rally was "It's a Small World." Each troop put on a dance, skit or song. Troop 378 danced the Virginia Reel with Eddie Fields doing the calling. Mrs. Lee Geriecke was Mistress of Ceremonies.

Mr. and Mrs. Hubert Cooksey of Meridian, Miss., spent the weekend with the latter's sister, Mr. and Mrs. William Frankenberg. They attended the wedding of Donna Frankenberg and Ron Smith.

The Ann Rutledge Parent Teacher Organization meeting which was to have been held on March 13 was cancelled due to the bad weather. It will be combined with the April meeting. The nominating committee consisting of Mrs. Jack Newton, Mrs. Al Castens and Mrs. Phil Steck will present the slate of officers at this meeting.

A Serli Self Assessment Workshop was held at the Ann Rutledge School on March 9-10. Those taking part were Diane Howard, Mrs. Eddie Flynn and Jim Reeves of the Arbury Hills School and Gerald Cummings of Ann Rutledge. Election for school board members will be held on Saturday, April 8. Polling places will be at both schools. The polls will be open from 12-7 p.m.

Mr. and Mrs. Al Swatek have returned from a two month vacation in South Texas. On the way they visited the Alamo and other historic sights in San Antonio. They visited the latter's niece, Mr. and Mrs. Ken Parrish, Coppens Cove, Texas.

The next two weeks were spent at Mission, Tex., where they attended a citrus festival. They also spent five weeks at Brownsville and Padre Island. They did some shopping and sightseeing in Old Mexico

and attended the Charro Days Festival there.

St. Anthony's Church, Lincoln Estates, is presenting a discussion on "Freedom in Morality," by Dr. Richard Westley of Loyola University at 8 p.m. Thursday, March 23 at Camp Manitouqua, Sauk Trail, one and one half miles west of Harlem Avenue. Donation for the program is \$1.

Frankfort

FRANKFORT — The Lenten program for Thursday, March 23 at 7:15 p.m. at the Frankfort United Methodist Church, will have as guest speaker, the Rev. LaVern Smith of St. Peter's United Church of Christ.

On Palm Sunday, March 26 at the 9:30 a.m. service, the retired Bishop Brashares will be the guest speaker.

Bishop Brashares will visit the church school at 10:40 a.m. At noon a planned dinner will be served with the main course served by a committee. Each family attending is to bring a dish of either salad or dessert and their own table service. Following the noon meal the bishop will speak at 1 p.m.

On Maundy Thursday, March 30 at 8 p.m. a candlelight communion service will be held at the Frankfort United Methodist Church.

On Good Friday, March 31 at 8 p.m. a chancel drama entitled "The Challenge of the Cross" will be given by the seventh and eighth graders (intermingled with hymns sung pertaining to the cross.) Among those participating in singing will be Charles Stark.

A field trip to Evanston will be taken by the pastor and the churchmanship class of the Frankfort United Methodist Church on Saturday, March 25.

They will visit a church in the city and also Bishop Northcott, where they will be able to see his collection of gavel, which the Bishop has collected throughout his travels to the various Methodist mission projects, which consists chiefly of overseas location.

The Good Shepherd Lutheran Church will have a worship service on Maundy Thursday, March 30 at 7:30 p.m.

On Good Friday, March 31 services are at 7:30 p.m.

The confirmation class will be confirmed on Palm Sunday, March 26 at 10:30 a.m. The class of nine are: Karen Lantry, Carla Baumgartner, LuAnn Uther, Timothy Radke, Deborah Lovelock, Michelle Fritz, Jeff Stuenkel, Jeff Maertin and Donald Schilling. The class will take their first communion on Easter Sunday morning.

The Women's Fellowship of St. Peter's United Church general meeting and public roast beef dinner will be held at the church this Thursday afternoon. Dinner hours are from 5-7 p.m.

A group of 19 young people will be confirmed at St. Peter's Church on Palm Sunday, March 26 at 10:30 a.m. On Easter Sunday, April 2 they will have their first communion.

On Good Friday, March 31 the communion service will be at 7:30 p.m.

Ronda Kay was the name given the infant daughter of Mr. and Mrs. Roger Rainford when baptized last Sunday afternoon at 1:30 p.m. in the chapel of St. Peter's United Church of Christ, with Rev. LaVern Smith officiating.

Her sponsors were Miss Diane Hossbach and Roy Sangmeister. Later a dinner was served in the Rainford home. Other dinner guests beside the sponsors were, her maternal grandparents, Mr. and Mrs. Howard Seemann, her paternal grandparents, Mr. and Mrs. Roderick Rainford and the great grandparents, Mrs. William Seemann and Mr. and Mrs. Henry Hossbach and Bill Beem.

Mr. and Mrs. James Robert and family returned home after attending the funeral of her father, Mr. William Burchett, Havoca, West Va. last week.

Mr. and Mrs. James Winker are the parents of a daughter born March 11 at Silver Cross Hospital. The infant weighed 6 pounds 14 ounces at birth and is named Christy Lynn. Mrs. Winker is the former Carolyn Bormet, Mokena.

The annual Tri-Kena Girl Scout

Rally, which was held last Sunday, March 12, at the Frankfort Community Grade School, was a success. All of the Frankfort troops performed. Special appreciation to those of the Frankfort Fire Department for assisting with the large crowd.

The Mid-Western Doll Club held their luncheon and workshop meeting at the home of Mrs. Carl Lindee on Sunday, March 12.

Favors were made for the United Federation of Doll Club Convention which will be held in Omaha, Neb. on April 5-9. Aside from regular members the guests were Mrs. Chester Dart and Mrs. Robert Clark from the Beverly Hills area.

Newly elected officers of the Frankfort Antique Dealers Association are as follows: Mrs. Carl Lindee, president; Mrs. Brian Hillenbrandt, vice president; Mrs. Robert Bronten, secretary and Jack Nelson, treasurer.

Miss Marcia Day Deist, New Lenox, was honored at a miscellaneous shower Sunday, March 19 in the basement of St. Peter's United Church of Christ. She received many lovely gifts. The shower was given by Mrs. Stanley Williams, Mrs. James DeChacko, Mrs. William Elwell and Mrs. Richard Krohn. Miss Deist will become the bride of Michael Loftus on Saturday, April 8.

Marley

MARLEY — A Fish Fry, sponsored by the Women's Society of the Marley Community Church, will be held at the church Friday, March 24. Serving time will be from 5-7 p.m. The menu will consist of perch, macaroni and cheese, cole slaw, rolls, pie, and coffee. Tickets at \$2.00 for adults and \$1.25 for grade school age children, may be reserved from Mrs. Fletcher Binion - 485-8512.

There will be a candlelight communion service at the Marley Community Church on Maundy Thursday, March 30, beginning at 7:30 p.m.

Prestwick

Our sincerest thanks to the contractors in our community. They very quickly corrected the matter of beer cans on the ground at several new home sights.

Sometime between midnight and 6 a.m. on March 9, the Prestwick Club House was burglarized. A small safe was stolen according to reports. Will County Sheriff's Police are investigating.

The home of Mr. and Mrs. Charles Bruti on Aberdeen Road also was burglarized on Tuesday, March 14, between 9:45 a.m. and 3 p.m. The thieves gained entrance by kicking in the rear glass thermopane door. A coat, jacket, portable TV set and a small amount of cash was stolen. Will County Sheriff's Police are investigating.

Henry Olivieri, Jr., 20, son of Mr. and Mrs. Henry Olivieri of Hawthorne Drive, was recently named to the dean's list at the University of Illinois in Cham-

paign-Urbana for maintaining a 4.8 grade point average for the last semester out of a possible 5.0. For those of us who prefer the old way of putting it, he had straight "A"s. Henry Jr. is enrolled in the College of Business Administration taking accounting, real estate and marketing research.

Donna and Dave Walsh of Aberdeen Road had quite a St. Patrick's day party in their home, according to all reports. The traffic jam around their home last Friday indicated the number of Irish guests they entertained. We hear their garage was done up in the proper green for the occasion and that their band played well through the night.

Arbury Hills

ARBURY HILLS — The annual Easter Egg Hunt, sponsored by the Arbury Hills Lions Club, will be held this Sunday, March 26, just north of the baseball field.

Children of grade school ages are invited for a real fun day. In the event of bad weather, the egg hunt will be held the following Sunday.

Every Lion member is requested to donate four dozen colored eggs for the project. They should be left at the Clark Service Station on Saturday, March 25.

The Arbury Hills Lightweight Basketball team placed fifth in the conference basketball tournament. There were two boys who jointly received the honor of most valuable player, John Cronos and John Lawrence while Ty Iles was judged as Most Improved.

For the heavyweight team Earl Culison stood alone as being judged most valuable player while Dick Boothe and Maurice Wilson jointly were named as most improved player.

In the girls' volleyball at Arbury Hills Donna Eilers and Jill Haas were named for the all-star team from seventh grade and Rita Cupp and Susan Zmolek were named for the all-star team from eighth grade.

In the current spelling contest throughout the Joliet area, Susan Mantoya from Arbury Hills School placed as first runner-up in the district.

Chip Terracina also from Arbury Hills School placed second in an essay contest with his topic being My Responsibility as an American.

The annual girl scout rally for this area was held on Sunday, March 12, at the Frankfort school gym. An entertaining afternoon was presented for us as parents and family of the assorted level of girl scouting. Our gratitude went out also to Mr. and Mrs. Barry Diercouff of Arbury Hills for the excellent use of their audio equipment.

The Arbury Hills Civic Association will hold its March general membership meeting at the Arbury Hills School Tuesday evening, March 28, beginning at 8 p.m.

The Arbury Hills Cub Scouts will have their monthly pack meeting at the school Monday evening, March 27, beginning at 7:30 p.m.

Storehouse needed for safe fireworks

NEW LENOX — Whether the New Lenox Association of Commerce provides the fireworks for the annual Fourth of July display on the Lincoln-Way High School campus this year probably will depend on whether a place to store them is found. A committee has been appointed to ascertain if storage facilities are available.

The series of explosions at the Melrose Fireworks Display Co. south of Orland Park March 6 could conceivably make the task of the committee more than routine.

The committee is looking for space where explosives are housed.

The need to locate storage space is needed because the fireworks order must be placed within a month with delivery set for May.

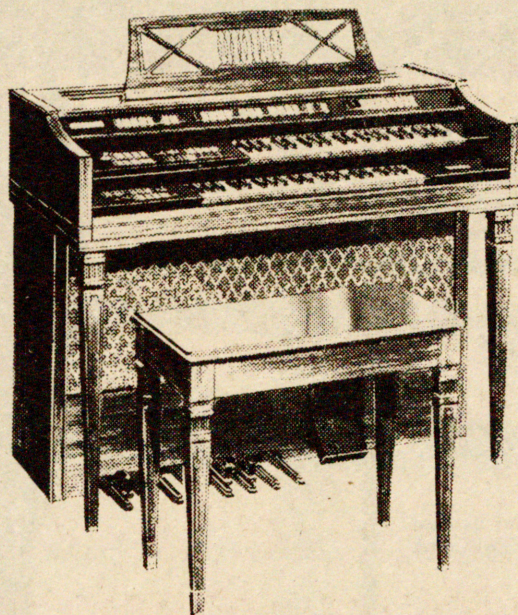

Police Chief Joseph Wajchert explained the operation of the central communication system employed by the police of New Lenox, Mokena and Frankfort. The

central station is located in the New Lenox village hall. It employs round the clock operators and has been working out quite satisfactory, he said. The operation and maintenance costs are shared by the three villages.

A substantial cash grant from the state was used in setting up the station. This was the first unit established that was to be shared by several communities. Since then, it was reported, the idea has spread to other areas.

Notice was received by the Association from the Harry Anderson Post, Veterans of Foreign Wars, that the annual Memorial Day parade will be held May 29. The Association was asked to contribute its \$50 to buy hot dogs. Following the parade the participants are fed.

Arnold J. Tyler, superintendent of schools and president of the Association of Commerce presided over the session.

Schools seeking more aid

WILL COUNTY — As a means to absorb some of the financial shock to the school districts of the Lincoln-Way High School area resulting from residential developments, present and future, the schools are asking village boards to adopt ordinances which would provide districts with some relief.

The ordinances provide for gifts of land or cash by developers to the school districts affected by the developers' plans. Copies of the ordinances have been presented to the Manhattan, New Lenox and Mokena village boards and similar action was taken at Frankfort Monday night.

The Manhattan village board has already adopted such an ordinance and it is anticipated that New Lenox, Mokena and

Frankfort will follow suit. Board members in all three communities have indicated they favor passage of such a measure but before taking final action want the opinion of their attorneys. It is expected that the attorneys will make some minor changes.

The ordinance was drawn by the Illinois School Consulting Service of Naperville. One of the conditions this measure would rectify, it was pointed out by the spokesmen for the districts, is the elimination of the long wait before any revenue is realized from a development. It is about two years before any tax money comes in from a home after it is built.

Under the proposed ordinance these cash or land donations would be forthcoming immediately. Naturally, the costs of these donations will be passed on to the house purchaser, but Supt. Arnold J. Tyler of the New Lenox grade school system pointed out that the purchaser would be getting a bargain.

School administrators say that the per capita cost for a high school student is \$1,100 and \$750 for a grade school student. At the New Lenox village board meeting Supt. Tyler explained the ordinance and its purpose. Other speakers on the subject were Jonas Lashmet, assistant superintendent at Lincoln-Way High, and A.J. Turner, president of the New Lenox Grade School board.

Supt. Tyler said that the ordinance is based on state law dealing with municipal government and while some developers have threatened to challenge it in court no one has.

It is an equitable law, Tyler said, with the payments under it based on a formula on the probable school age population that is fair to all. It is in force at Aurora, Elgin, Naperville and a number of other municipalities, Tyler said, and is reported to be working out well.

Bill Bolker, who is planning a large housing development at Manhattan, Leavitt and Sons, who are about to start on a planned unit development at New Lenox, and Hillcrest Builders, who are planning a housing project at Mokena, are all reportedly agreeable to subscribing to the terms set up in the ordinance.

Schoolmen present when the ordinance was submitted to the Mokena board included Supt. Joe Kruzich of Lincoln-Way; Jonas Lashmet; Supt. James Ennis of Mokena; Supt. Aldo Fanti of the Arbury Hills and Lincoln Estate Schools; Gene Morrill, assistant superintendent at Mokena; and Fremont Warning, head of the school board at Mokena.

The Mokena Plan Commission has strongly recommended its passage. Robert Shiner, representing the St. Mary School board, James Cooper and the pastor, the Rev. Patrick Curtis, appeared to ask if some help could be given the parish school.

Members of the village board and the representatives of the public schools agreed informally that parochial schools deserved consideration but saw no way at this time to include them in the ordinance. A public school is obliged to take all pupils within their jurisdiction but a private school can refuse admission.

It was suggested to the St. Mary delegation that they should contact Hillcrest Builders and any other developers that are likely to funnel children into the school and endeavor to make some sort of arrangement with them for financial aid.

News Briefs

NEW LENOX — The annual kindergarten round-up is scheduled for the Oakview School gymnasium at 7:30 p.m. April 26.

To be eligible to attend kindergarten next September a child must be five years old on or before Dec. 1 of this year. Parents must bring birth certificates or proof of birth to complete the registration.

Also, parents of children who will be six years old on or before Dec. 1, and who have not attended kindergarten this year are requested to attend the meeting.

The kindergarten round-up is an orientation and pre-registration program for parents of children planning to attend kindergarten in New Lenox District 122 in the 1972-73 school year.

Parents will receive information and direction on the health examination required by state law, payment of fees and transportation arrangements. A slide presentation of the kindergarten curriculum and objectives will be given by the teachers.

Parents who desire a copy of the health record form prior to the round-up program may do so by contacting the district office at Oakview School, 809 N. Cedar Rd.

NEW LENOX — Five bids were received by the New Lenox village board on a squad car last week. They were referred to Police Commissioner Earl Schroeder and Police Chief Joseph Wajchert for tabulation and report.

The bids were:
Phillips Chevrolet - \$3,208.00
Bill Jacobs Chevrolet - \$3,302.00
Cooper-Show Ford - \$3,299.55
Saper Plymouth - \$3,167.52
Bert Adams Pontiac - \$3,796.00

FRANKFORT — The petition for a business classification of the property at 120 Oak St. was denied by the Frankfort Zoning Board of Appeals at its meeting last Wednesday night in the village hall. The meeting drew a large audience.

The petition had been filed by Robert E. Novak, as purchaser, and Gloria R. Roy, as owner, and asked for a change in zoning from R-1 (residential) to B-1 (business).

The properties to the north, east and west are all zoned residential, and across Oregon Street to the south area is the Frankfort Grade school. Adjacent property owners objected to any change in the zoning.

Approved by the board was the petition of Charles P. Bruti, as purchaser, and W. L. Patterson, as owner, of the property at the southwest corner of White Street and McDonald Lane, to have it classified for business with variations of landscaping and parking requirements.

The variation sought was a reduction in the square footage of the rear yard from 2,361 to 1,350 square feet, and in front the first 12 feet of the 25-foot strip required by ordinance, would be used for parking instead of landscaping the entire strip. Under the comprehensive plan for the village White street will eventually be a business thoroughfare, it was stated.

Hearing on the petition of Joseph Kupina, asking a change in zoning from R-1 to R-3 (multiple family dwelling) for his property at 239 Railroad St., was continued.

MOKENA — Two bids have been received by the village board on inspecting sewer lines by closed circuit television.

One was from Blocker Bros., Inc., Westmont, Ill., and was for \$4,181.90. The other was from Video Pipe Grouting, Inc., Chicago, for \$3,447. Both bids were accompanied by certified checks for \$550 each.

The bids were turned over to the sewer committee, headed by Chester Eber, for study. The committee is to report back with a recommendation at the next meeting.

MOKENA — New speed limits have been imposed on a stretch of Francis Road immediately west of the Mokena village limits. The new limits were recommended by County Highway Superintendent Roy Cousins and approved by the county board.

Between the end of Front Street (the west village limits) and 115th Avenue the maximum speed permitted is 40 miles an hour. From 115th Avenue to a tenth of a mile west of Glenn the maximum speed limit was set at 45 m.p.h.

Beyond that until the next 40 m.p.h. zone is reached at Edmond Street at New Lenox the maximum is 65. The speed limit on Front Street as it is on most Mokena streets is 25 m.p.h.

The general condition of Francis Road between the village limits and 115th Avenue makes 40 m.p.h. about the average on that stretch.

FRANKFORT — Opening of Lexington House, a retirement home that is being constructed off West Bowen Street, is expected to take place shortly.

Last Saturday half a dozen large trucks were bringing in furnishings. This establishment, according to the operators, is not a nursing home. Only ambulatory persons will be accepted as tenants.

New pharmacist

JIM CHAPLIN

MOKENA — Jim Chaplin, 25, is a new addition to the prescription department staff of the Mokena Pharmacy at Indianapolis. He had his preparatory schooling in Joliet and was graduated there from Joliet Township High School and Junior College. He is single and resides in Joliet.

MOKENA — Two Mokena girls are finalists in the annual county spelling contest as a result of their victories in the sectional contest. The sectional for the area was held at Anna McDonald School, Manhattan last week.

Rebecca Boyce, 13, a seventh grade pupil at Willowcrest, is one of the winners. She is the daughter of Mr. and Mrs. Dale Boyce, 11403 W. 192d Street. The other sectional winner is Diana Welsh, 13, daughter of Mr. and Mrs. William Welsh, Briarwood Lane. She is an eighth grade pupil at Willowcrest.

Alternates in this sectional are Susan Montoya, 13, eighth grade pupil at Arbury Hills School and daughter of Mrs. Joan Montoya, 94-4 Hawthorne, and David Fellows, an eighth grade pupil at McDonald. He is the son of Mr. and Mrs. Gary Fellows.

The finals in the county contest will be held this Saturday, May 25, in Pershing School, in Joliet on Midland Avenue at Campbell Street—about four blocks north of Jefferson Street.

NEW LENOX — A hilarious evening is promised by the Lincoln-Way High School Drama Club and Advanced Speech class for Saturday, March 25. Curtain time is 8 p.m.

The two groups have pooled their talents to present four one-act plays and several Marx Brothers skits. The program will begin with the fantasy, "Pierrot, Poltron," followed by "Red Carnations." The play, "Death Knocks," by Woody Allen, and an original script, "The Apprentice," will also be staged.

Three of these productions are student directed.

Tickets for adults are \$1. for students, 75 cents, and may be purchased at the door.

Whats Ahead

THURSDAY, MARCH 23

FRANKFORT — The general meeting of St. Peter's United Church of Christ meets at 1:15 p.m. From 5 - 7 p.m. that evening a public dinner and bake sale will be held at the church.

Sherriff promotes 4

WILL COUNTY — Sheriff Joseph R. Trizna announced Friday, March 17, the promotion of four deputy sheriffs to higher rank after he received results of the competitive examinations that were held for the positions and the men were certified for their promotions by county officials.

Sergeant James Stryger, an eight-year veteran of the Sheriff's Police, was promoted to lieutenant. Lt. Stryger is married, has three children and resides in Joliet.

Sergeant Theodore Kelly, a five-year veteran of the Sheriff's Police, also was promoted to Lieutenant. Lt. Kelly is married and resides in Lockport.

Deputy John Johnsen, a five-year veteran of the Sheriff's Police, was promoted to Sergeant. Sgt. Johnsen, a bachelor, resides in Lockport. He is the department's training officer.

Deputy Paul Dixon, a 2½-year veteran of the Sheriff's Police, also was promoted to Sergeant. Sgt. Dixon, a bachelor, resides in Joliet. He is the department's range master and firearms instructor.

In addition to the authorized promotions, county officials also authorized an eligibility list for future promotions into the lieutenant and sergeant ranks when openings are available.

Sergeants who are eligible for future

promotion to lieutenant are Thomas Cavanaugh, Raymond VanDyk and Edward Meyer, all of Joliet. Deputies who are eligible for future promotion to sergeant are Robert Brown of New Lenox, Raymond Scholtes of Joliet, Peter Haas of Joliet, Daniel Crompt of Braidwood and Gary L. Gregory of Manhattan. Deputy Gregory is responsible for the development of the County Police K-9 Corps.

The two newly appointed lieutenants are

filling positions created by the recent death of Lt. George Bohac, Jr. of Braidwood and a position recently created by county authority. There are now five lieutenants on the Will County Sheriff's Police Force.

Sheriff Trizna requested a captain's rank from the county recently as necessary for proper command structuring of his department. He was not given authority for the rank due to financial reasons.

Drug bond hearing set

JOLIET — A preliminary hearing will be held Friday, March 24 in Will County Court to decide whether bond should be reduced for James Adamson, 19, of Bolingbrook.

Adamson was arrested March 5 by agents of the Metropolitan Area Narcotics Squad (MANS) for violation of the state narcotics law. At that time, Judge John Lang set his bond at \$15,000. Adamson is still in Will County Jail.

MANS agents had been alerted that a sale of a substance known as "moon dust," composed of heroin, cocaine and barbiturates would be made in a Joliet motel. While the sale was made, agents waited in the adjoining room. A pre-arranged

signal, they went next door and placed Adamson under arrest.

The street value of the 32 grams of the drug that was set at \$9600.

Adamson's first recorded arrest was for a Joliet car theft in 1968. The charge was dismissed.

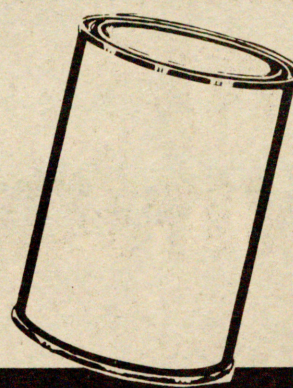

In 1971, he was arrested for burglary in February, obstructing a policeman in April, contributing to the delinquency of a minor in May, illegal possession of liquor in August, contributing to the delinquency of children in September, and violation of a drug act in November. He was fined \$25 and court costs for the April and August offenses.

Merricks gone, but
Knights still tough

NEW LENOX — Romeo without Juliet, corn beef without cabbage, ham without eggs, that must be the way it will seem this year to Lincoln-Way High School track fans.

For the first time in three years the calls of "C'mon Davey" will be missing from Lincoln-Way meets. Dave Merrick, who over the past three years established himself as one of the best prep distance runners in the country is gone.

Even without the marvelous Merrick the Knights will be a formidable force this season. Coach Joe Rodriguez, who is in his fifth year of building a track dynasty at Lincoln-Way, expects the 1972 Knights to be the strongest all-around team he has coached.

In the past four years the Knights have won two Southwest Suburban Conference titles, finished second twice, one of the seconds came last year, and fourth once.

The Knights have always been potent on the track, but have been something less than unbeatable in field events. The last two years the Knights have lost dual conference meets, and the conference title to Oak Lawn. In both 1970 and 1971 the Oak Lawn strategy has been to pile up points in the field events, and then dare the Knights to catch them in the running events, and for the past two seasons the plan has worked.

This year Rodriguez is aiming for the team's first undefeated dual meet season, and another conference title.

In connection with these goals Rodriguez has been carefully grooming his fields warriors to match the skills of their track mates, and coach Rodriguez is optimistic about his field army.

Rodriguez has a shot put corps headed by veteran John Phillips, whose distance of 55 feet was good for second place in the conference last year.

Depth in the field events which was lacking last year will come in the shot put from Scott Wiclaw. Wiclaw took second in the underclassmen conference meet last season with 53 feet, and has been hitting the 48 foot mark in early varsity drills.

John Pirko, who holds the school record in the high jump at 6-2, and his efforts this season have already reached 6-0. Rodriguez expects Pirko to hit the 6-6 mark this year. Behind Pirko is Jim Kolman, who is also clearing the bar at 6-0 this season.

Dave Green, who hit the 130 foot mark last year heads the discus corps, and Rodriguez expects Green to reach the 150 foot mark this season. Terry Ryan and Tim Burden, can leave their regular duties on the track to give Green some support.

Max Maxwell holds down the pole vault duties where he did 13-0 last year to set a school record and come in second in the conference.

Maxwell is also the team premier long jumper and holds the school record of 20-5. Kolman who has done 20-2 is expected to give the Knights added strength in the event.

The Knights will have their usual power display on the track, where John Been and Lee Erickson provide the team with

one of the best one, two distance punches in the state.

Both boys may have been the best, second best distance runners on the prep track scene in many a year. Last year Been and Erickson, were better than just about anybody they ran against, but had to run in the shadow of Merrick.

Been has done a 9:16 for the two mile. Erickson who was second in the state cross country meet last fall should go consistently under the 9:20 mark this season.

Another veteran is Phil McAndrews, who has done a 9:41.0. Dave Walters has run a 9:57 in AAU competition this year, adds to the team strength.

This same foursome figure to be equally tough in the mile event.

Erickson and Steve Peterson head the 880 event, with Erickson's brother Don and Bruce Reynolds.

Veteran D. J. Cruize, who Rodriguez rates as his most improved runner will handle the 440 distance. Cruize has been clocked in 51.3 and Rodriguez thinks he can break 50.0 this season. Pat Loftus who did well in the event running for the Junior varsity last season is behind Cruize in the event.

"We lack the speed for the short distance," Rodriguez says of the 100 yard dash, where Kolman is the top candidate. Jerry Johnson, is the most likely candidate for the 220 event.

The 120 high hurdles, and 180 high hurdles are solid positions, with Terry Ryan, who is the conference champ in both events back for another season. Behind Ryan is sophomore Tim Burden, who Rodriguez describes as, "An outstanding prospect with excellent leg speed."

Rodriguez can use any of six boys in the meet two relay events and still make a strong run of it, and expects his mile relay team, which could be made up entirely of juniors, who could run a 3:20 mile before the season is out.

The Knights swing into action for the first time Saturday, March 25, in the Oak Park Relays, one of the top indoor meets of the year. Eighty teams will compete in the 42nd annual event which is broken into class A, B, and C divisions according to school enrollments. Lincoln-Way will compete in the B division, which was won by Palatine last year. The meet will begin at 12:30. Final events will be held at 7:30 p.m.

Baseball tryouts
set in Tinley Park

TINLEY PARK — The dates have been set for this year's tryouts for Tinley Park Boy's Baseball. Major League and Minor League tryouts will be held at Memorial Park. The tryouts will begin at 10 a.m. on March 25 and 26.

Tryouts will be held at Vogt Park for Babe Ruth and American Legion leagues. Babe Ruth tryouts will be held April 8 at 1 p.m. and American Legion age boys can try their luck on April 9, also at 1 p.m.

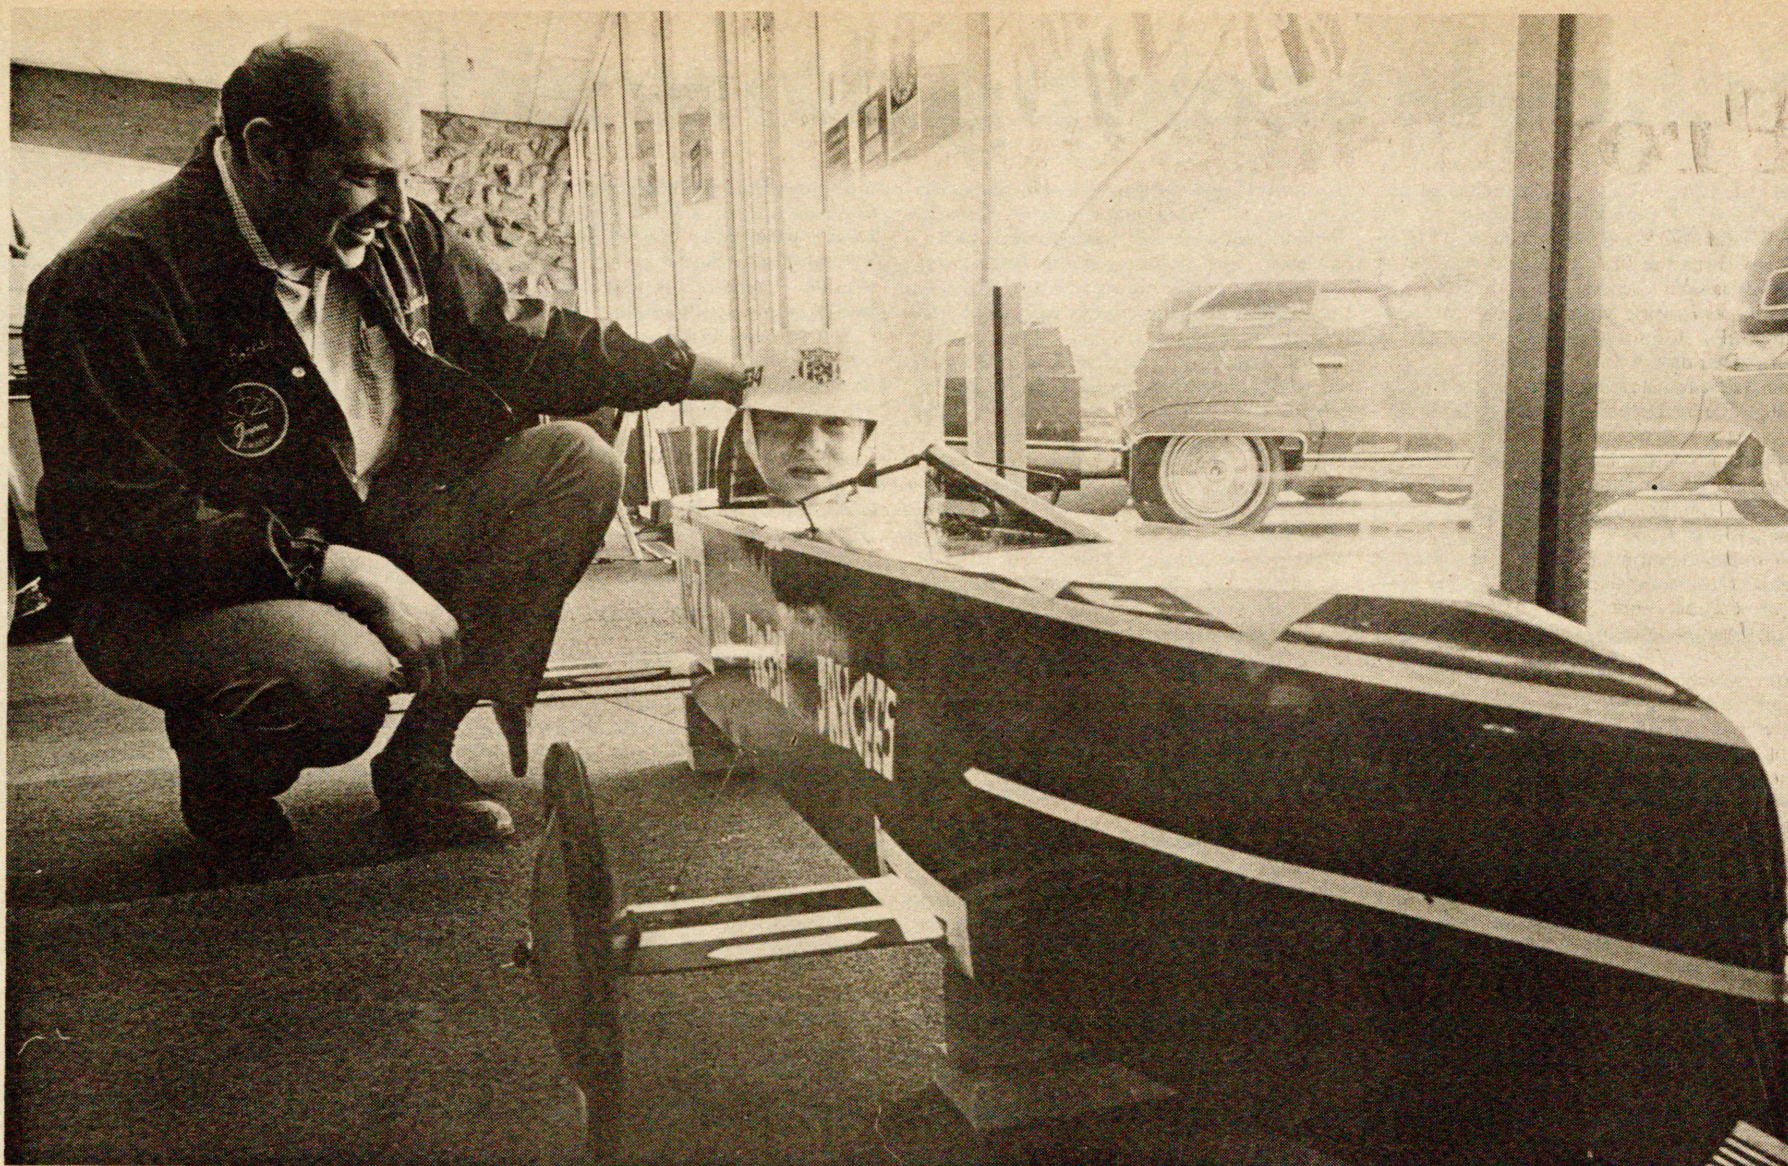

Photo by Shigley

Soap hopeful

Registration for this year's Soapbox Derby took place last week at Jack O'Donnell Chevrolet. Twenty boys signed up for this year's running of the annual event, sponsored by the auto agency and the Oak Forest Jaycees. On hand to help with the registration were Tom Bardusk, the Jaycees chairman of the race, and Jim Duddleston, last year's local winner.

'Young' Celtics ready to run

NEW LENOX — "We're awfully young and that makes us an unknown factor, our success depends on how well we develop under fire."

That's how Providence track coach Ken Raymond summed up his 1972 team as they prepared for their opening outdoor meet against Joliet Central, at Joliet, Saturday, March 27, at 4 p.m.

Raymond has been putting an inexperienced varsity squad, with a smattering of veterans, through its paces in preparation for the meets. The Celtics will also debut in the Private League this season. The Celtics open their season Saturday March 25, in the indoor Oak Park Relays with 80 teams competing in three divisions according to school enrollments.

Raymond has set six goals for the season, winning six meets. The meets are the Lisle Invitational, where Providence is defending champion; The Plainfield Invitational, the Celtics took second last year; the Will County meet, the conference, district, and Bishop McNamara meets.

Raymond expects to be strong in the sprints and hurdles and will have to wait and see how his "youngsters" fare in the other events.

Veteran Dave Svetich, a three year varsity shot putter was converted to the hurdles late last season, and showed well on the track. Svetich will probably also work in the shot event where he hits the 41-foot mark.

Another veteran in the hurdles is Mike Considine, providing the Celtics with experienced hands in the barrier battles this season.

A pair of veterans, John Buchanan, and Mickey Bontemps will run in the 100 and 220 along with junior Mark Lukanich, who has no varsity experience.

Junior Mark Griemala, a sprinter who moved into the 440 event late last season is back along with two more experienced hands, Jerry Czicheon, and Joe Cokel.

Dan Berg, a sophomore, will run the 880, as will another underclassman Bill Shubert, who has done the distance in 2:12.0.

Shubert and Berg, also figure in the mile and two mile events along with Ken Shepard and Neil Schulte.

Raymond will work with six or eight runners for the relays with no definite decisions as to who will be the regulars in these events yet.

Jack Tezak, who has performed mostly with the junior varsity will probably be top discus man, aided by Dan Tunelli, a junior up from the frosh.

Bob Bravato, gives the Celtics strength and experience in the long jump and high jump. Bravato who was long jump champ in the South Suburban prep league last year, has been hitting the pit at 19-5, in early drills. In the pole vault Steve Daley soared to 10 feet last year, and Raymond is expecting him to reach the 11-0 mark this season.

Mark Hucek, who also works in the pole vault has done nine feet in drills.

Skiers are Colorado bound

NEW LENOX — The Lincoln-Way Ski Club will hold its last meeting of the year at 7:30 tonight (March 22) in Room 133 at the school for making final preparations for their trip to Colorado. This year more than 90 skiers will make the trip. They will be staying at Miller's Ildewild Inn, Hideaway Park, Colo.

This is the seventh year Ronald Stopka, athletic director at Lincoln-Way has sponsored such a trip. Each year the numbers

have grown he said. The Lincoln-Way Ski Club not only has students from that school going on the trip but from other schools too, including Joliet Central, Joliet West, Joliet Catholic High, Lockport, Providence, St. Francis Academy and Joliet Junior College.

The group will leave March 31 by train and return April 2. This is the Easter vacation.

Providence opens '72 baseball season March 24

NEW LENOX — Providence High School will be the first area team to open the 1972 baseball season when the Celtics host Driscoll Friday, March 24, at 4 p.m.

The Celtics follow this with a double-header Saturday, March 25, hosting St. Francis de Sales, starting at noon.

Coach Tom Dedin will lead the Celtics in their first season in Private School League diamond play, and Providence despite making its debut in the league look like a bonafide title contender.

Baseball is almost a way of life for Dedin and his teams. Last year the Celtics finished with a spring record of 32-10, and closed out their stay in the South Central Prep league by winning the league title.

After school was out in June the Celtics swung into summer league play, in which all members of the spring varsity squad, except graduating seniors, joined members of the underclassmen squad in rolling up a 22-4 summer mark.

The summer program enables the coaches to play the boys he expects to use on the varsity the following spring.

Dedin has a good crop of lettermen back from last years spring unit including four pitchers. "I expect to have a good hitting and defensive team, but I hope we can display a little more team unity than we did last summer. I was disappointed in the inability of the summer team to work together despite our 22-4 record," Dedin said.

Providence had what must be considered one of the strongest summer aggregations in the area in 1971, particularly when it came to pitching.

Celt pitchers had a combined earned run average of 1.60 for 26 summer games, and in 16 of these games they allowed the opponent no more than two runs.

Jerry Quigley and Butch Markelz, headed the mound corps last year. Quigley is gone, but Markelz returns to head the staff. Markelz, who swings a potent bat hit .363 last year, and plays the outfield as well as working on the mound.

During the spring season Markelz had an 11-2 mound mark, and in the spring he was 8-2. Another returning letterman is Larry Lee, who had only average suc-

cess in the spring, but blossomed to a 6-2 mark in the summer.

Another pitcher is Frank Forsyth, who saw limited service last year is back. Dan McGuire is a rookie moundsman with no previous varsity experience.

Rich Baranak, who has been handling the varsity catching chores since he was a freshman is back for another season. Baranak hit just under .400 during the spring, and was a .422 hitter in the summer. Baranak is backed up by Ed Olszta, up from the underclassman. Olszta, who played summer ball, and handles outfield chores as well lacks only the maturity that comes from varsity competition to make him a top competitor according to Dedin.

The teams regular first baseman from last year Bernie Keiger has graduated, and will be replaced by Joe Priboy. Priboy didn't see spring action, but earned a shot at a regular berth this year by swinging the bat at a .378 clip in summer play.

Behind Priboy is the teams all-around veteran sub Ted Walsch. Walsch, a sen-

ior is starting his third year on the varsity, and it the teams top utility man in the infield. He also pitches and plays the outfield.

Junior Dick Mandella, who has had no previous varsity experience, but had a fine summer season replaces graduated veteran Jay Martin at second base.

Backing Mandella is Francis Ruettiger, a varsity veteran, who is also available for outfield and catching duties.

The Celtics will certainly miss Steve Jourtas, one of the areas best all-around shortstops, who will be playing for Lewis College this year.

Oakview wins 14th annual mat tourney

NEW LENOX — The team from Oakview Junior High School, New Lenox, won the 14th annual wrestling tournament staged by the Lincoln-Way High School Athletic Department for grade schools.

New Lenox scored 153½ points. Morris was second with 138½, followed by St. Mary, Mokena, with 74½. Troy was fourth with 72, West View, fifth with 68, Mokena sixth with 64 and Dirksen Junior High had 28.

New Lenox had four individual champions. Mark Criscione won at 75 pounds; Craig Huttendorf won at 90 pounds; John Jackson won at 95 and Chip Connor won in the 112 pound division.

New Lenox wrestlers finishing second were: Vince Criscione, 50; Kirk Weidman, 55; Mark Jackson, 65; Dave Jeffrey, 70; Larry Wilmoth, 75; Lee Krohn, 80 and Jim Steen, 112 pounds.

Placing third for Oakview were: Shawn Mann, 50; Al Skiniotes, 55; Bill Jeffrey, 65; Tom Norberg, 100; Bill Tyner, 118; Mike Mager, 135; Bill Shroba, 145 and Joe Forest, heavyweight.

Six New Lenox boys finished in fourth place: Rodney Baird, 60; Rich Spring, 100; Steve Hunt, 118; Jim Wilmsen, 125; Randy Silger, 145 and Dan Manns in the heavyweight division.

This week will end the season for Oakview when it competes in the Joliet Boys tournament in Joliet Central High School gym, Friday and Saturday, March 24 and 25, according to Terry Weber, Oakview Coach.

Sports Shorts

GINGERWOOD — This past Friday night the Gingerwood Athletic Association held the first playoff game for the coveted Gincerup. This is for the championship hockey games that have been held for the past several weeks at the Morton-Gingerwood School.

The series is the best two out of three games. In the first game of the series the Bruins dominated the scoring. With just 12 seconds gone in the first period Bruin Mike Babecki fired in a 10 footer on a breakaway. Twenty five seconds later, seemingly before the Canadians could set up their defenses properly, Babecki scored again with a 12-foot backhand through a crowd of players.

The game then settled down and both defenses played a good game but then with 5 and one half minutes elapsed Bruin Bill McGregor went flying across in front of the Canadian net and slammed in a short eight footer from a 45 degree angle.

A short while later Canadian John Morgan had a 30-footer nullified because of an off side, and at the end of the first period it was Bruins 3, Canadians 0.

In the second period, with one minute gone Bruin Jeff Lyons took a perfect pass from Bruin Bob Curry and rammed in a two footer that the Canadian goalie had no chance of stopping. Then the Canadian defense tightened up and the Bruins were unable to score again.

From the start of the third period the Canadians fought to get on the board but the Bruin defense held with many spectacular saves but the Bruin goalie Grover Goetz.

All through the period both teams mounted attack after attack but to only meet an even stiffer defense from the other. There were no goals during the third period and the game ended with the Bruins victorious 4-0.

Bruin goalie Grover Goetz was credited with the shutout. This coming Friday evening is do or die for the Canadians in this best two out of three series. They must win in order to have a chance for the championship, and send the series into the third game.

ORLAND PARK — Carl Sandburg's winter banquet was held last week in the school's new commons area. Roast beef was served, and over 600 people attended. Athletes from the freshmen to varsity level were honored on the basketball, swimming, and wrestling teams. The cheerleaders and pom-pom girls were also honored for their support of the teams thruout the year.

Athletic director Joe Devine kicked off the program and then introduced Ron Patterson, head basketball coach. All ten boys on the varsity basketball team received varsity letters.

They were: Art Crummie, Jim Koranda, Dave Lumley, Greg Grimm, Randy Bengston, Jim Loukota, Scott Sim, Crane D'Loughy, Vince Curlewski, and Bill Nelson.

The Most Valuable player was Art Crummie, who led the team in scoring and rebounding.

In wrestling Coach Don Schultz lauded his team for their winning record, first place in the district meet and second in sectional meet in addition to placing three wrestlers down state.

Jim Webster, a senior, was named Most Valuable Wrestler. He led the team in total points and was one of the wrestlers who went down state.

Other outstanding seniors who were honored were: Joe Tholl, Duane Capo-

dice, Dan Presbeterio, Mike Kettman, and John Walker. Swimming Andy Merz received Most Valuable swimmer and captain honors. Coach Alan Gillberg praised his team for their conference championship and district performances.

George Merijohn, Steve Schoeder, Tom Kaptur, and Bill Humphries were also honored for outstanding performances. They are all seniors.

Laurie Smith was named honorary captain of the cheerleading squad. Other girls honored were: Maude Glasier, Debbie Hankins, Jenny Williams, and Sue Chandler. The pom-pom squad presented Sue Kiner with it's award as Captain for all her work for the year.

TINLEY PARK — The Park District held its second annual Father and Son night last Tuesday at the Chicago Bulls basketball game.

Two buses loaded with some 80 boys and 50 parents and coaches left Central school for Chicago stadium. The game proved to be an exciting upset, with the hot-shooting Seattle Supersonics beating the Bulls, 115 to 111.

Chuck Kinzie won a lucky number door prize that was given out by the stadium.

MOKENA — St. Mary faced Arbury Hills in a night of exhibition basketball and split the evening with the lightweights winning by the score of 32-24 while the heavyweights lost a slam bang affair by the score of 46-44.

In the lightweight game Jeff Mortenson was high point man with nine followed by Tom Cumbee and Dan Wilson with six each.

For Arbury Hills John Lawrence was high point man with 12 with John Crones and Ty Iles with four each.

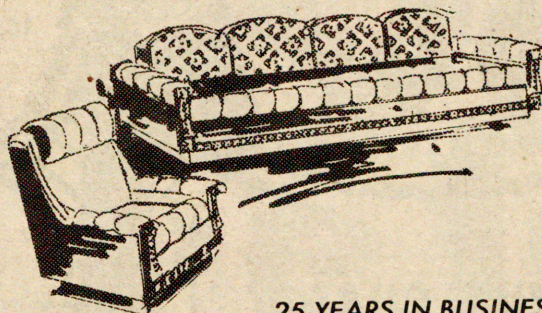

In the heavyweight game George White again was high point man with 17 followed by Les Golden with 9.

For Arbury Hills Dale Rutan was high point man with 24, followed by Gene Pasky with 9.

At Lincoln-Way

Sports teams feted

NEW LENOX — Last Wednesday over 400 parents, athletes, teachers and community leaders paid tribute to the Lincoln-Way athletes at the annual winter banquet.

Mr. Rosenquist, Principal of the Freshman Building, was presented a Championship Trophy from Jim High, freshman basketball coach, from the Tinley Park Tournament. The freshman basketball team had a combined record of 42 wins and no losses at the A and B level.

Ross Margentina, sophomore wrestling coach, also presented a trophy to Rosenquist on behalf of the sophomore wrestling team in recognition of the Plainfield Wrestling Tournament.

Jerry Johnson, head freshman wrestling coach, presented the championship Trophy to Rosenquist in recognition of the Tinley Park Freshman Wrestling Tournament. The Freshman Wrestling team was also undefeated, winning 18 duels and the Tinley Park Invitational.

Brad Bounds, varsity basketball coach, awarded National Varsity Certificates to John Pirkko and Tey Ryan for their election to the southwest Suburban All-Conference Team.

Roger Hellinga also awarded a National Varsity Certificate to Mike White in recognition of winning first place at the Southwest Suburban Conference Gymnastics Championship.

Bill Marco, varsity wrestling coach, recognized Russ Raiser for taking second place in the Southwest Suburban All-Conference Wrestling Squad, and awarded National Varsity Certificates to Mike Bachmann and Dean Hobson, who were undefeated in the Southwest Suburban Conference and were elected to the All-Conference team.

Each of the above mentioned athletes will have their picture placed in the "Hall of Fame" Trophy Case in recognition of their outstanding achievements.

Ronald Stopka, athletic director, awarded the Athlete of the Year Award to Terry Ryan, in basketball, Mike Ward, in gymnastics, and Mike Bachmann, in

wrestling. The coaches elected these athletes because of their outstanding services devoted to athletics during their high school career. Each of these athletes become eligible for consideration for the Lincoln-Way Athlete of the year Award which is made at the Spring Athletic Banquet.

Lucille Reinert, vice-president of the Athletic Booster Club, greeted the parents and gave a report of the goals the club has set and invited the parents to visit the weight lifting room and see the new 16 man weight machine that was purchased by the Booster Club and Lincoln-Way coaches. Mrs. Reinert also said the regular booster meeting will be held Tuesday, March 21, 7:30 p.m. in the school cafeteria.

ORDINANCE NO. 482
An Ordinance Prohibiting Parking On A Certain Portion Of Park Lane And 147th Street In The Village Of Orland Park, Cook County, Illinois

BE IT ORDAINED by the President and Board of Trustees of the Village of Orland Park, Cook County, Illinois, as follows:

Section 1
PARKING PROHIBITED. No person shall stop or park a vehicle at any time except when necessary to avoid conflict with other traffic or in compliance with the directions of policemen or traffic control devices on or along that portion of the North and West sides of 147th Street and Park Lane in the Village of Orland Park lying between the West line of the intersection of Highland Avenue and 147th Street and the South edge of the South ingress and egress driveway to the parking area located in the public park on the West side of Park Lane.

Section 2
SIGNS TO BE ERECTED. Appropriate signs shall be erected to inform the public of the restrictions on parking herein established.

Notice of Election of Trustees to the Board of Library Trustees of the Acorn Public Library District, Cook County, Illinois

Public notice is hereby given by the Election Clerk of the Acorn Public Library District, Cook County, Illinois, that on Tuesday, the 11th day of April, 1972, the Third Election shall be held for the election of the Library Trustees of

the Acorn Public Library District of Cook County, Illinois.

For the purpose of said Election the entire District is hereby established as one (1) voting precinct and will have one (1) polling place within said District, and the polling place will be located as follows:

Library Building of the Acorn Public Library District 15700 Central Avenue Oak Forest, Illinois

Each registered voter residing within the Acorn Public Library District, of Cook County, Illinois, on the Election Day, shall have the right to cast a ballot at said Election.

The polls of said Election will be open at 12:00 Noon and will close at 7:00 P.M., Central Standard Time, on the day of said Election.

Published by order of the Board

Section 3

PENALTIES. Any person who violates any of the provisions of this ordinance shall upon conviction thereof be fined not less than One Dollar (\$1.00) nor more than Twenty-five Dollars (\$25.00) for each offense of which such person shall be convicted.

Section 4

REPEAL. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed insofar as they conflict herewith.

Section 5

EFFECTIVE DATE. This ordinance shall take effect and be in full force from and after its passage and approval and publication in the manner prescribed by law.

PASSED this 13th day of March, 1972.

s/ Gene C. Bates

Village Clerk

APPROVED this 13th day of March, 1972.

Paddock purchases Park Forest Reporter

PARK FOREST — The acquisition of the Park Forest REPORTER was announced recently by William H. Over, president of Paddock Crescent Newspapers, Inc.

The purchase of the REPORTER from Ad-Print Center Press, Inc., Addison, Illinois, brings the number of Paddock Crescent Newspapers to eight. The others are:

The Lemont HERALD, the Lockport HERALD, the Bolingbrook/Romeoville HERALD, the HERALD of Frankfort, Mokena and New Lenox, the Tinley Park Times HERALD, the Oak Forest Times HERALD, and the Orland Park HERALD.

The publisher and executive editor of the Park Forest REPORTER is Leo G. Piper, who joined Paddock Crescent Newspapers in January, 1971.

He was recently elected president of the Northern Illinois Editorial Association, and is a member of the board of directors of the northern Illinois chapter of Sigma Delta Chi, a professional journalism fraternity.

Piper is also the secretary-treasurer of the Orland Park Chamber of Commerce and an active member of many civic organizations.

Prior to the time the REPORTER was purchased by Ad-Print, it was owned by Mrs. Kathryn Schechter, wife of the

late publisher of the REPORTER, I.E. "Pappy" Schechter.

Ad-Print purchased the newspaper in August, 1969, and announced the appointment of Hugh J. Kazer, Clarendon Hills, as publisher.

The REPORTER has an interesting history and began in 1949 with a gathering of 12 housewives in a townhouse living room. They were determined to find a method of communicating with the 150 families living in the village.

The first issue, consisting of five pages, was distributed by an unlikely team of "newsboys" many of whom had Ph.D.'s. All were volunteers from Argonne Laboratory.

The press run for that first edition was 172 copies. Today, the REPORTER has a circulation of 13,500 and is delivered more conventionally by Suburban Boy Carriers.

Commenting on the purchase, Piper said, "Paddock Crescent is very excited about the acquisition of the Park Forest REPORTER and what it will mean to the development of the company."

"Park Forest and the surrounding communities present many new challenges for our editorial and advertising staffs. We are looking forward to working closely with all phases of the community in developing a strong home town newspaper, presenting both in-depth news coverage and advertising."

PUBLIC NOTICE Notice of Proposed Change in Gas Schedule

NORTHERN ILLINOIS GAS COMPANY hereby gives notice to the public that it has filed with the Illinois Commerce Commission on February 29, 1972 revisions in rate schedules to reflect in adjustments for cost of purchased gas and thermal content, purchases and transportation of liquid hydrocarbons for the production of supplemental natural gas. These changes in the adjustment for cost of purchases and transportation of liquid hydrocarbons will have the effect of increasing the adjustment for cost of purchased gas.

Further information with respect thereto may be obtained either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois.

A copy of the proposed change in the schedule may be inspected by any interested party at any business office of this Company.

CAR SALESMAN OF THE WEEK

**C. J. SPRAGUE
FINIGAN FORD**

C.J. has been a resident of Tinley Park since he retired from the Air Force 18 years ago. He and his wife have a son, Roy, who is now in the U.S. Air Force and stationed at Homestead Air Force Base in Florida. Their teen-age daughter "Becky" is a Junior at Tinley Park High School. While C.J. enjoys baseball and golf, his favorite hobby is flying an airplane. His many years experience in the automotive business will help you get the best car at the best price.
